PROFIT WARNING

This announcement is made by Bright Future Technology Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 and the information currently available to the board of directors of the Company (the “**Board**”), the Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and its potential investors that the Group is expected to record a loss attributable to the owners of the Company of not less than approximately RMB1.65 million, representing a decrease of approximately 147% as compared to the profit attributable to the owners of the Company of approximately RMB3.54 million for the corresponding period in 2024.

Based on the information currently available, the Board believes that the expected decrease in the profit attributable to the owners of the Company for the six months ended 30 June 2025 as compared to the corresponding period in 2024 was primarily due to (i) the increase in the Group’s general and administrative expenses resulting from the increase in R&D expenditure as a result of the Group’s increased investment in artificial intelligence and other advanced technologies to enhance customer experience and improve operational efficiency; and (ii) the increase in office expenses and other expenses as a result of the Group’s proactive expansion and development of new businesses.

As the Company is still in the process of finalising the interim results of the Group for the six months ended 30 June 2025, the information contained in this announcement is only based on the Board’s preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available, which have neither been reviewed by the audit committee of the Company nor reviewed or audited by the Company’s auditors. The above information may be subject to further adjustments upon final review by the Board and the Company’s auditors. Shareholders and potential investors are advised to refer to the details in the interim results of the Group for the six months ended 30 June 2025, which is expected to be published in late August 2025 in accordance with the Listing Rules.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.
