Announcement

Enhancement of Settlement Arrangement for Multi Counter Eligible Securities and Change of directors of the Manager

Unless otherwise defined in this Announcement, capitalised terms used in this Announcement shall have the same meaning as defined in the prospectus of the Trust and the Sub-Funds (the "**Prospectus**").

Enhancement of Settlement Arrangement for Multi Counter Eligible Securities

The Manager understands that the Hong Kong Securities Clearing Company Limited ("**HKSCC**") will enhance the settlement arrangement for Multi Counter eligible securities in the Central Clearing and Settlement System ("**CCASS**") with effect from 30 June 2025 (the "**Effective Date**").

As part of this enhancement, the Hong Kong Exchanges and Clearing Limited ("**HKEX**") will adopt a single International Securities Identification Number ("**ISIN**") approach for Multi Counter eligible securities. As such, with effect from the Effective Date, only one ISIN will be recognised for post trade activities in CCASS. As Samsung NYSE FANG+ ETF (the "**Sub-Fund**") is a Multi Counter eligible security, the ISIN of the Sub-Fund with effect from the Effective Date is as follows:

Sub-Fund Name	Stock Code	ISIN
Samsung NYSE FANG+ ETF (HKD counter)	02814	HK0000736758
Samsung NYSE FANG+ ETF (USD counter)	09814	

For the avoidance of doubt, from a trading perspective, there will be no changes to the stock codes and stock short names of the Sub-Fund. No action is required from the unitholders of the Sub-Fund further to the enhancement as the holdings in different currency counters will be automatically converted by HKSCC to the domain settlement counter.
