PROFIT ALERT

This announcement is made by iMotion Automotive Technology (Suzhou) Co., Ltd. (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules (the "**Listing Rules**") Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**", and each a "**Director**") of the Company hereby notifies the shareholders (the "**Shareholders**") and potential investors of the Company that, based on the Group's unaudited consolidated management accounts for the six months ended June 30, 2025 (the "**Reporting Period**") and information currently available to the Board, the Group is expected to record a loss before tax of approximately RMB177.86 million for the Reporting Period. This represents an increase of approximately 80.39% compared to the loss before tax of approximately RMB98.60 million for the six months ended June 30, 2024. The Board considers it is primarily due to the combined impact of the following factors:

(1) Affected by the order requirements of the original equipment manufacturers, the Company's revenue was unevenly distributed across the first and second half of the year, with a higher volume of clustered deliveries in the second half of the year, resulting in a year-on-year decrease in revenue during the first half of the year;

(2) The Company stepped up research and development investments in self-developed new products and autonomous driving technologies, leading to a rise in research and development expenses.

The Company is currently in the process of finalizing the unaudited interim results of the Group for the Reporting Period. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group for the Reporting Period and other information currently available to the Board, and such information has not been confirmed by the independent auditor of the Company nor reviewed by the audit committee of the Company and is subject to finalization and necessary adjustments. The results announcement of the Company for the Reporting Period are expected to be published by the end of August 2025.

The Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
iMotion Automotive Technology (Suzhou) Co., Ltd.
