INSIDE INFORMATION
POSITIVE PROFIT ALERT

This announcement is made by Yunfeng Financial Group Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Future Ordinance (Chapter 571, the Laws of Hong Kong).

The board of directors (the "**Board**") of the Company wishes to inform the shareholders of the Company and potential investors that, based on the information currently available to the Company and the preliminary assessment of the unaudited consolidated management accounts of the Company for the six months ended 30 June 2025 (the "**2025 Interim Period**"), the Group is expected to record a net profit attributable to the equity shareholders of the Company for 2025 Interim Period of approximately HK$480 million, which represents a substantial increase of approximately 139% compared to the net profit attributable to equity shareholders of approximately HK$201 million for the six months ended 30 June 2024.

The increase in the net profit of the Group for 2025 Interim Period is mainly due to the benefit of the significant growth in operating profit of the Group's insurance business, and the positive impacts of the fair value of investments and currency exchange rates.

Under the accounting standards currently adopted by the Group, changes in the fair value of certain investment assets and currency exchange rates are required to be recognized in the income statement, which are expected to cause volatility in the Group's net profit (accounting basis). Therefore, the Group continues to disclose the financial performance measure referred to as "net operating income", which is more reflective of the performance of the Group's core business, in the interim report and annual report of the Company as additional information for the reference of shareholders and potential investors.

The above estimated 2025 Interim Period results are based on preliminary estimates which have not yet been reviewed by the audit committee of the Company and the independent auditor of the Company. If the Company's future estimates differ materially from above estimates, the Company will provide updates on a timely basis. For further details of the Group's results, shareholders of the Company and potential investors should read the announcement for the Group's 2025 Interim Period results, which is expected to be published before the end of August 2025.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.
