INSIDE INFORMATION
PROFIT WARNING

This announcement is made by Sino-Ocean Service Holding Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the Board's preliminary review of the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 (the "**Period**") and the information currently available to the Board, the Group is expected to record a loss attributable to owners of the Company ranging between approximately RMB295.0 million and RMB326.0 million for the Period, as compared to a profit attributable to owners of the Company of approximately RMB59.3 million for the six months ended 30 June 2024. Based on the information currently available, the expected loss attributable to owners of the Company to be recorded for the Period was mainly attributable to the continuous adverse impact of the real estate market, and the overall real estate market downturn, in China, which led to (i) the lengthening of the settlement cycle of relevant businesses, which in turn led to an increase in the provision for impairment loss on trade and other receivables. The provision for impairment loss will not have any material impact on the Group's future cash collection. The Group will continue to maintain close communication with its customers for collection measures; and (ii) increases in the provision for impairment losses on inventories and goodwill.

As at the date of this announcement, the Company is in the course of finalising its unaudited consolidated management accounts for the Period. The information contained in this announcement is only a preliminary assessment made by the Board based on the latest unaudited consolidated management accounts of the Group prepared in accordance with the Hong Kong Financial Reporting Standards (HKFRS), which has not been reviewed or audited by the auditors of the Company and may be subject to adjustments arising from further review. Shareholders and potential investors are advised not to place undue reliance on such information. Details of the unaudited financial information of the Group for the Period will be disclosed in the Company's interim results announcement to be issued by the end of August 2025, which shall prevail over the information contained in this announcement.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
