POSITIVE PROFIT ALERT
TURNAROUND FROM LOSS TO PROFIT

This announcement is made by Tongda Hong Tai Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders and potential investors of the Company that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 (the "**Current Period**") and the information currently available to the Board, it is expected that the Company's revenue for the Current Period would be approximately HK$50,206,000, as compared to the revenue of approximately HK$21,181,000 for the corresponding period in 2024; and the net profit for the Current Period is expected to be approximately HK$5,204,000 as compared to the net loss of approximately HK$23,674,000 for the corresponding period in 2024.

The expected increase in the Group's revenue is primarily attributed to the launch of a new business segment in robot vacuum casing which led to a higher volume of sales order. The expected turnaround from loss to profit was mainly due to (i) an improvement in the Group's overall gross profit margin driven by the active optimization of business strategies and cost control through better resource utilization; (ii) reduction in impairment on property, plant and equipment; and (iii) an increase in exchange gain resulting from the appreciation of Renminbi during the Period.

As at the date of this announcement, the Company is still in the process of finalising the Group's interim results for the Current Period (the "**Interim Results**"). The information contained in this announcement is only based on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group with reference to the information currently available to the Board which may be subject to amendments or adjustments, and have not been reviewed or confirmed by the Company's auditors or the audit committee of the Company. The actual Interim Results of the Group may be different from the information disclosed in this announcement. Further details of the Group's performance will be disclosed in the Interim Results announcement of the Company, which is expected to be published on or before 31 August 2025.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
