## PROFIT WARNING

This announcement is made by BetterLife Holding Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") hereby notifies the shareholders and potential investors of the Company that, based on the preliminary assessment of the information currently available (including but not limited to the unaudited consolidated management accounts of the Group for the six months ended June 30, 2025 (the "**Period**")), the Group is expected to record a decrease of no more than 80% in the profit attributable to owners of the Company, as compared to the profit attributable to owners of the Company of approximately RMB33.9 million for the six months ended June 30, 2024.

The expected decrease in the Group's profit attributable to owners of the Company was mainly due to the decrease in revenue from sales of automobiles primarily caused by macro-economy and weak market sentiment, which further led to the decrease of the gross profits and gross profits margin for the Period.

Shareholders and potential investors of the Company should note that the information set out in this announcement is based on a preliminary assessment by the Company based on the unaudited consolidated management accounts of the Group for the Period and other information currently available to the Board, which have not been audited or reviewed by the Company's auditors or reviewed by the audit committee of the Company. Details of the financial information for the Period to be disclosed in the interim results announcement of the Company (which is expected to be published by the end of August 2025) shall prevail. There may be differences between such information and the information set out above.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**
