POSITIVE PROFIT ALERT

This announcement is made by GHW International (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors that, based on the Board’s preliminary review of the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 (the “**Current Period**”) and other information currently available to the Board, the Group is expected to record a net profit of approximately RMB8 million for the Current Period, as compared to a net profit of approximately RMB4.4 million for the six months ended 30 June 2024.

The Board is of the view that the increase in net profit was mainly attributable to increases in (i) other gain due to the increase in net exchange gain as a result of the appreciation of various currencies, such as Russian Ruble and Mexican Peso against Renminbi during the Current Period; and (ii) other income derived from an additional value-added tax credit refund policy amounting to approximately RMB7.5 million; which is partially offset by the decrease in gross profits generated from particular self-manufacturing and trading products due to the expansion of market supply, leading to an intensive market competition during the Current Period.

The information contained in this announcement is based on a preliminary assessment by the Board with reference to the information currently available and the latest unaudited consolidated management accounts of the Group for the Current Period which have not been audited or reviewed by the Company's independent auditor or the audit committee of the Board, and are subject to possible adjustments upon further review. The Company is still in the process of finalising its interim results for the Current Period. Shareholders and potential investors are advised to read carefully the announcement of the Company's interim results for the Current Period, which is expected to be published by the end of August 2025 pursuant to the requirements of the Listing Rules.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.

By Order of the Board of
GHW International
