The delivery of the Vessel by the Owners to the Charterers under this Charter shall not, unless otherwise notified by the Owners (acting in their sole discretion) to the Charterers in writing, be taken as a waiver of the Owners' right to require production of all the documents and evidence required by this Clause 36 (*Conditions precedent and conditions subsequent*).

37. Bunkers and luboils

- (a) At delivery the Charterers shall take over all bunkers, lubricating oil, water and unbroke provisions in the Vessel without cost.

 - (ii) use reasonable endeavours to procure that for any calendar year that falls within the Agreement Term, the Vessel shall have a proper CII Rating and shall maintain her CII Rating in line with prudent commercial maintenance and operational practice so as not to interfere, hinder or affect the normal operations of the Vessel for the next year, and without prejudice to the foregoing provisions of this paragraph (ii), in the event that the Charterers shall redeliver or cause to be redelivered the Vessel to the Owners in accordance with this Charter, the Charterers shall use reasonable endeavours to procure that the Vessel so redelivered is able to meet the required CII Rating so as not to unreasonably impair the Vessel's ability to be employed in a commercially reasonable manner by the Owners for the following calendar year.

39. Structural changes and alterations

- (a) The Charterers shall make no structural changes in the Vessel or changes in the machinery, engines, appurtenances or spare parts thereof (unless such change is required by reason of new class requirements or compulsory legislation, including but not limited to any improvement, structural changes or new equipment required for the Vessel to maintain or meet any CII Rating as required by MARPOL or any equivalent) without in each instance first securing the Owners' consent thereto, such consent not to be unreasonably withheld.

 - (ii) on each Hire Payment Date throughout the Charter Period, by way of variable hire (each a "**Variable Hire**"), the variable hire then payable on the corresponding Hire Payment Date. The amount of Variable Hire payable on each Hire Payment Date is calculated in accordance with the following formula:

$$A \times B \times C$$

whereby
 - A = (in relation to the 1st Hire Payment Date) the Actual Owners' Costs or (in relation to any other Hire Payment Date) the Cost Balance immediately after the immediately preceding Hire Payment Date
 - B = the aggregate of (i) the Margin and (ii) the Applicable Rate for the Hire Period ending on that Hire Payment Date
 - C = a fraction whose denominator is three hundred and sixty (360) and numerator is the number of days which have elapsed (in respect of the 1st Hire Payment Date) from the Actual Delivery Date (including that date) to the 1st Hire Payment Date (not including that date), (in respect of all other Hire Payment Dates except the last Hire Payment Date) from the immediately preceding Hire Payment Date (including that date) to that Hire Payment Date (not including that date) and (in respect of the last Hire Payment Date) from the immediately preceding Hire Payment Date (including that date) to the last Hire Payment Date (including that date).
- (b) The Hire shall be paid in arrears before 5:00 p.m. (Beijing time) on each Hire Payment Date (in respect of which time is of the essence).

- (d) All payments under this Charter shall be made to the account opened in the name of the Owners with such bank as the Owners may choose, the details of which shall be notified by the Owners to the Charterers prior to the Actual Delivery Date (or such other account as the Owners may notify the Charterers from time to time) for credit to the account of the Owners.
- (e) The Charterers' obligation to pay Hire in accordance with this Clause 40 shall be absolute irrespective of any contingency whatsoever including but not limited to:

- (i) any set-off, counterclaim, recoupment, defence or other right which either Party may have against the other;
- (ii) any unavailability of the Vessel, for any reason, including but not limited to any action or inaction by any Sub-Charterers or Sub-Sub-Charterers (where applicable), seaworthiness, condition, design, operation, merchantability or fitness for use or purpose of the Vessel or any apparent or latent defects in the Vessel or its machinery and equipment or the ineligibility of the Vessel for any particular use or trade or for registration of documentation under the laws of any relevant jurisdiction or lack of registration or the absence or withdrawal of any consent required under the applicable law of any relevant jurisdiction for the ownership, chartering, use or operation of the Vessel or any damage to the Vessel;
- (iii) any lack or invalidity of title or any other defect in title;

- (v) any insolvency, bankruptcy, reorganisation, arrangement, readjustment of debt, dissolution, administration, liquidation or similar proceedings by or against the Owners, the Charterers, any Sub-Charterers or any Sub-Sub-Charterers (where applicable), or any change in the constitution of the Owners, the Charterers, any Sub-Charterers or any Sub-Sub-Charterers (where applicable);
- (vi) any invalidity or unenforceability or lack of due authorisation of or any defect in this Charter, any Sub-Charter or any Sub-Sub-Charter (where applicable); or

it being the intention of the Parties that the provisions of this Clause 40, and the obligation of the Charterers to pay Hire and make any payments under this Charter, shall (save as expressly provided in this Clause 40) survive any frustration and that, save as expressly provided in this Charter, no moneys paid under this Charter by the Charterers to the Owners shall in any event or circumstance be repayable to the Charterers. For the avoidance of doubt, the obligation of Charterers to pay Hire under this Charter shall not be affected by any breach of this Charter by the Owners, it being understood that the Charterers shall, in the event of such breach, be entitled to claim compensation for their losses, documented damages or expenses (excluding Hire paid under this Charter).

- (f) The Charterers shall procure that all payments of Hire and all other sums to the Owners pursuant to this Charter and the other relevant Transaction Documents shall be made in immediately available funds in CNH, free and clear of, and without Tax Deduction.
- (g) In the event that any Obligor is required by any law or regulation to make any Tax Deduction on account of any taxes which arise as a consequence of any payment due under this Charter or the other Transaction Documents, then:
 - (i) the Charterers shall notify the Owners promptly after they become aware of such requirement;

- (ii) the Charterers shall procure that the amount of such taxes is remitted to the appropriate taxation authority within any applicable time limits and in any event prior to the date on which penalties attach thereto; and
- (iii) the Charterers shall procure that such payment shall be increased by such amount as may be necessary to ensure that the Owners receive a net amount which, after deducting or withholding such taxes, is equal to the full amount which the Owners would have received had such payment not been subject to such taxes.
- (h) The Charterers shall forward to the Owners evidence reasonably satisfactory to the Owners that any such taxes have been remitted to the appropriate taxation authority within thirty (30) days of the expiry of any time limit within which such taxes must be so remitted or, if earlier, the date on which such taxes are so remitted.
- (i) **Default Interest** If the Charterers fail to pay any amount payable by them under a Transaction Document on its due date, interest shall accrue on the Unpaid Sum from the due date up to the date of actual payment (both before and after judgment) at a rate which is two per cent. (2%) per annum higher than the percentage rate per annum which is the aggregate of the Margin and the Applicable Rate which would have been payable if the Unpaid Sum had, during the period of non-payment, constituted the Actual Owners' Costs or the Cost Balance (for the purpose of calculating Variable Hire) for successive Hire Periods, each of a duration selected by the Owners. Any interest accruing under this paragraph (i) shall be immediately payable by the Charterers on demand by the Owners. Default interest (if unpaid) arising on an Unpaid Sum will be compounded with that Unpaid Sum at the end of each Hire Period applicable to that Unpaid Sum but will remain immediately due and payable.
- (j) In the event that this Charter is terminated for whatever reason, the Charterers' obligation to pay Hire and such other Unpaid Sum which (in each case) has accrued due before, and which remains unpaid, at the date of such termination shall continue notwithstanding such termination.
- (k) In the event that it becomes unlawful or it is prohibited (whether by any economic sanction laws or any other laws, regulations, embargoes or restrictive measures or otherwise) for the Owners to charter the Vessel pursuant to this Charter, then the Owners shall, if permitted to do so, notify the Charterers of the relevant event and negotiate in good faith for a period of thirty (30) days from the date of the receipt of the relevant notice by the Charterers to agree an alternative. If such agreement is not reached within such thirty (30)-day period, the Parties agree that, in such circumstances, the Owners may at their option and by delivering to the Charterers a termination notice (the "**Termination Notice**"), (A) (at any time on or after the Actual Delivery Date) terminate the chartering of the Vessel under this Charter (for the avoidance of any doubt, it being acknowledged that such termination may take place before, on or after the expiry of the Agreed Charter Period) with immediate effect or on the date specified in such Termination Notice or (B) (at any time before the Actual Delivery Date) terminate the obligation of the Owners to deliver and charter the Vessel to the Charterers with immediate effect or on the date specified in such Termination Notice. On the Termination Payment Date in respect of any termination of the chartering of the Vessel under this Charter in accordance with the foregoing, the Charterers shall pay to the Owners an amount equal to the Termination Sum whereupon paragraph (i) of Clause 49 shall apply. In the event that (A) the Owners have delivered a Termination Notice to the Charterers under this paragraph (k) and received the Termination Sum in full and (B) the Related Owner has also delivered a "Termination Notice" (as defined in the Related Charter) to the Related Charterer under paragraph (k) of clause 40 (*Hire*) of the Related Charter and received the "Termination Sum" (as defined in the Related Charter) in

full, the Owners shall, promptly on the Charterers' request, discharge and release, and procure the Security Trustee to discharge and release, all Obligors from all their obligations and liabilities under the Security Documents to which they are a party.

- (l) The Charterers shall, within five (5) Business Days of demand by the Owners, pay to the Owners any documented Break Costs.
- (m) Any certificate or statement signed by an authorised signatory of the Owners purporting to show the amount of the Debt (or any part of the Debt) or any other amount referred to in any Transaction Document shall, save for manifest error or on any question of law, be conclusive evidence as against the Charterers of that amount.
- (n) If a change in any currency occurs, this Charter will, to the extent the Owners specify to be necessary, be amended to comply with any generally accepted conventions and market practice in the relevant market and otherwise to reflect the change in currency.
- (o) Unless otherwise specified, any Variable Hire, interest, commission or fee accruing under a Transaction Document will accrue from day to day and is calculated on the basis of the actual number of days that will elapse or have elapsed and a year of 360 days (or, where the amount is payable in a currency other than CNH, such period as is customary for such currency).
- (p) *intentionally left blank*
- (q) If before close of business in Shanghai on the Variable Hire Determination Date for the relevant Hire Period, no Reference Rate is available, then Clause 40(r) shall apply to the Cost Balance for such Hire Period.
- (r)
 - (i) If this Clause 40(r) applies for any Hire Period, the Owners and the Charterers shall enter into negotiations with a view to agreeing a substitute basis for determining the Applicable Rate.
 - (ii) Any alternative basis agreed pursuant to sub-paragraph (i) above shall be binding on all Parties.
 - (iii) If an alternative basis is not agreed pursuant to sub-paragraph (i) above by the last day of such Hire Period, then the Applicable Rate on the Cost Balance for that Hire Period shall be the Reference Rate which was determined for the immediately preceding Hire Period or (where no such Reference Rate was determined) the rate notified to the Charterers by the Owners as soon as practicable, and in any event by the last day of such Hire Period, to be that which expresses as a percentage rate per annum the cost to the Owners of funding the Cost Balance and if such rate is less than zero then it shall be deemed to be zero.

41. Insurance

- (a) During the Charter Period, the Charterers shall at their expense keep the Vessel insured against fire and usual marine risks (including hull and machinery and excess risks), oil pollution liability risks, war risks, protection and indemnity risks (including, without limitation, protection and indemnity war risks) (and any risks against which it is compulsory to insure for the operation for the Vessel) in such market and on such terms as the Owners shall approve in writing and as a prudent

shipowner would maintain for vessels similar to the Vessel in accordance with prevailing market practice from time to time.

- (b) Such insurances shall be arranged by the Charterers to protect the interests of the Owners, the Charterers and (if any) the mortgagee of the Vessel and/or the other Finance Parties, and the Charterers shall be at liberty to protect under such insurances the interests of any managers (including the Approved Managers) they may appoint.
- (c) Insurance policies shall cover the Owners, the Charterers and (if any) the Finance Parties according to their respective interests. The Charterers shall effect all insured repairs.

- (e) The Charterers shall arrange that, at any time during the Charter Period, the hull and machinery and war risks insurance shall be in an amount not less than the greater of (1) the latest Fair Market Value (including the Initial Market Value (as defined in the MOA)) and (2) one hundred and twenty per cent (120%) of the then current Cost Balance (in its equivalent in USD));
- (f) The Vessel shall be entered in a P&I Club which is a member of the International Group Association on customary terms and shall be covered against liability for pollution claims in an amount not less than the highest level of cover from time to time available under basic protection and indemnity club entry and in the international marine insurance market (currently US\$1,000,000,000). All insurances shall include customary protection in favour of the Owners and (if any) the Finance Parties as notice of cancellation and exclusion from liability for premiums or calls.
- (g) The Charterers undertake to place the Insurances in such markets, in such currency, on such terms and conditions, and with such first class international and reputable brokers, underwriters and associations as the Owners shall have previously approved in writing and as a prudent shipowner would for vessels similar to the Vessel from time to time. The Charterers shall name the Owners, the Charterers, the Approved Managers and if applicable, any of the Finance Parties as the only named assureds. The Charterers shall not alter the terms of any of the Insurances nor allow any person to be co-assured under any of the Insurances without the prior written consent of the Owners (such consent not to be unreasonably withheld in the absence of any Termination Event and is subject to the provisions of a co-assured undertaking as reasonably required by the Owners, and will supply the Owners and (if applicable) the Finance Parties from time to time on request with such information as the Owners may in their reasonable discretion require with regard to the Insurances and the brokers, underwriters or associations through or with which the Insurances are placed. The Charterers shall reimburse the Owners on demand for their costs and expenses reasonably incurred by the Owners in obtaining at the Actual Delivery Date and thereafter from time to time (but no more than once per calendar year in the absence of any Termination Event and in the event of the occurrence of any Termination Event, at the time and frequency as requested by the Owners and (if applicable) the Finance Parties) a report on the adequacy of the Insurances from an insurance adviser instructed by the Owners.
- (h) The Charterers undertake duly and punctually to pay all premiums, calls and contributions, and all other sums at any time payable in connection with the Insurances, and, at their own expense, to arrange and provide any guarantees from

time to time required by any protection and indemnity or war risks association. From time to time at the Owners' request, the Charterers will provide the Owners with evidence (for the avoidance of doubt, such evidence could be disclosed to the Finance Parties, if necessary) satisfactory to the Owners that such premiums, calls, contributions and other sums have been duly and punctually paid; that any such guarantees have been duly given; and that all declarations and notices required by the terms of any of the Insurances to be made or given by or on behalf of the Charterers to brokers, underwriters or associations have been duly and punctually made or given.

- (i) The Charterers will comply in all respects with all terms and conditions of the Insurances and will make all such declarations to brokers, underwriters and associations as may be required to enable the Vessel to operate in accordance with the terms and conditions of the Insurances. The Charterers will not do, nor permit to be done, any act, nor make, nor permit to be made, any omission, as a result of which any of the Insurances may become liable to be suspended, cancelled or avoided, or may become unenforceable, or as a result of which any sums payable under or in connection with any of the Insurances may be reduced or become liable to be repaid or rescinded in whole or in part. In particular, but without limitation, the Charterers will not permit the Vessel to be employed other than in conformity with the Insurances without first taking out additional insurance cover in respect of that employment, and the Charterers will promptly notify the Owners of any new requirement imposed by any broker, underwriter or association in relation to any of the Insurances.
- (j) The Charterers will, no later than fourteen (14) days (or, in the case of war risks, no later than seven (7) days), before the expiry of any of the Insurances renew them and shall as soon as reasonably practicable give the Owners such details of those renewals as the Owners may reasonably require.
- (k) The Charterers shall deliver to the Owners (and, if required by the Owners, the originals) of all policies, certificates of entry and (upon request) other documents relating to the Insurances and shall procure that letters of undertaking in the customary form shall be issued to the Owners by the brokers through which the Insurances are placed (or, in the case of protection and indemnity or war risks associations, by their managers). If the Vessel is at any time during the Charter Period insured under any form of fleet cover, the Charterers shall procure that those letters of undertaking contain confirmation that the brokers, underwriters or association (as the case may be) will not set off claims relating to the Vessel against premiums, calls or contributions in respect of any other vessel or other insurance, and that the insurance cover of the Vessel will not be cancelled by reason of non-payment of premiums, calls or contributions relating to any other vessel or other insurance. Failing receipt of those confirmations, the Charterers will instruct the brokers, underwriters or association concerned to issue a separate policy or certificate for the Vessel.
- (l) The Charterers shall promptly provide the Owners with full information (for the avoidance of doubt, such information could be disclosed to the Finance Parties, if necessary) regarding any casualty or other accident or damage to the Vessel the repair costs of which (whether before or after adjudication) are likely to exceed the Threshold Amount.
- (m) The Charterers agree that, at any time after the occurrence of a Termination Event which is continuing, the Owners or, if applicable under the terms of the Finance Documents, the Finance Parties shall be entitled to collect, sue for, recover and give a good discharge for all claims in respect of any of the Insurances; to pay collecting brokers the customary commission on all sums collected in respect of those claims; to compromise all such claims or refer them to arbitration or any other form of

judicial or non-judicial determination; and otherwise to deal with such claims in such manner as the Owners and, if applicable, the Finance Parties shall in their discretion think fit.

- (n) Whether or not a Termination Event shall have occurred, the proceeds of any claim under any of the Insurances in respect of a Total Loss shall be paid and applied in accordance with Clause 54 (*Total Loss*).
- (o) In the event of any claim in respect of any of the Insurances (other than in respect of a Total Loss), if the Charterers shall fail to reach agreement with any of the brokers, underwriters or associations for payment to third parties, within such time as the Owners or, if applicable under the terms of the Finance Documents, the Finance Parties may stipulate, the Owners and, if applicable, the Finance Parties shall be entitled to require payment to itself. In the event of any dispute arising between the Charterers and any broker, underwriter or association with respect to any obligation to make any payment to the Charterers or to the Owners and/or (if applicable) the Finance Parties under or in connection with any of the Insurances, or with respect to the amount of any such payment, the Owners and/or (if applicable) the Finance Parties shall be entitled to settle that dispute directly with the broker, underwriter or association concerned. Any such settlement shall be binding on the Charterers.
- (p)
 - (i) The Owners agree that any amounts which may become due under any protection and indemnity entry or insurance shall be paid to the Charterers to reimburse the Charterers for, and in discharge of, the loss, damage or expense in respect of which they shall have become due, unless, at the time the amount in question becomes due, a Termination Event has occurred and is continuing, in which event the Owners shall be entitled to receive the amounts in question and to apply them either in reduction of the Termination Sum owed by the Charterers pursuant to paragraph (e) of Clause 49 (*Termination Events*) or, at the option of the Owners, to the discharge of the liability in respect of which they were paid.
 - (ii) Without prejudice to the foregoing, all other claims in relation to the Insurances (other than in respect of a Total Loss), shall, unless and until the occurrence of a Termination Event which is continuing, in which event all claims under the relevant policy shall be payable directly to the Owners, be payable as follows:
 - (A) a claim in respect of any one casualty where the aggregate claim against all insurers does not exceed the Threshold Amount, prior to adjustment for any franchise or deductible under the terms of the relevant policy, shall be paid directly to the Charterers (as agent for the Owners) for the repair, salvage or other charges involved or as a reimbursement if the Charterers fully repaired the damage to the satisfaction of the Owners and paid all of the salvage or other charges;
 - (B) a claim in respect of any one casualty where the aggregate claim against all insurers exceeds the Threshold Amount prior to adjustment for any franchise or deductible under the terms of the relevant policy, shall, subject to the prior written consent of the Owners (such consent not to be unreasonably withheld or delayed), be paid to the Charterers as and when the Vessel is restored to her former state and condition and the liability in respect of which the insurance loss is payable is discharged, and provided that the

insurers may with such consent make payment on account of repairs in the course of being effected, but, in the absence of such prior written consent shall be payable directly to the Owners.

- (q) The Charterers shall not settle, compromise or abandon any claim under or in connection with any of the Insurances (other than a claim of less than the Threshold Amount arising other than from a Total Loss) without the prior written consent of the Owners (such consent not to be unreasonably withheld or delayed). In the event that the Charterers receive any proceeds of any claim under any of the Insurances which are intended for the Owners or (as the case may be) the relevant Finance Parties pursuant to the terms of the Insurances or the Transaction Documents or (if applicable) the Finance Documents, the Charterers agree that they shall hold such proceeds on trust for the Owners or (as the case may be) the relevant Finance Parties and shall immediately notify the Owners or (as directed by the Owners) the relevant Finance Parties and shall forthwith transfer such proceeds to the Owners or (as the case may be) the relevant Finance Parties.
- (r) If the Charterers fail to effect or keep in force the Insurances, the Owners may (but shall not be obliged to) effect and/or keep in force such insurances on the Vessel and such entries in protection and indemnity or war risks associations as the Owners in their discretion consider desirable, and the Owners may (but shall not be obliged to) pay any unpaid premiums, calls or contributions. The Charterers will reimburse the Owners from time to time on demand for all such premiums, calls or contributions paid by the Owners, together with interest calculated in accordance with paragraph (i) of Clause 40 (*Hire*) from the date of payment by the Owners until the date of reimbursement.
- (s) In each case where failure to do so has or is reasonably likely to have a Material Adverse Effect, the Charterers shall comply strictly with the requirements of any legislation relating to pollution or protection of the environment which may from time to time be applicable to the Vessel in any jurisdiction in which the Vessel shall trade and in particular the Charterers shall comply strictly with the requirements of the United States Oil Pollution Act 1990 (the "**Act**") if the Vessel is to trade in the United States of America and Exclusive Economic Zone (as defined in the Act). Before any such trade is commenced and during the entire period during which such trade is carried on, the Charterers shall:
 - (i) pay any additional premiums required to maintain protection and indemnity cover for oil pollution up to the limit available to the Charterers for the Vessel in the market; and
 - (ii) make all such quarterly or other voyage declarations as may from time to time be required by the Vessel's protection and indemnity association in order to maintain such cover, and promptly deliver to the Owners copies of such declarations (for the avoidance of doubt, such copies could be disclosed to the Finance Parties, if necessary); and
 - (iii) submit the Vessel to such additional periodic, classification, structural or other surveys which may be required by the Vessel's protection and indemnity insurers to maintain cover for such trade and promptly deliver to the Owners copies of reports made in respect of such surveys; and
 - (iv) implement any recommendations contained in the reports issued following the surveys referred to in sub-paragraph (s)(iii) above within the shorter of (x) relevant time limits contained in such reports, or (y) fifteen (15) Business Days, and provide evidence (for the avoidance of doubt, such evidence could be disclosed to the Finance Parties, if necessary)

satisfactory to the Owners that the protection and indemnity insurers are satisfied that this has been done; and

- (v) in addition to the foregoing (if such trade is in the United States of America and Exclusive Economic Zone):
 - (A) obtain and retain a certificate of financial responsibility under the Act in form and substance satisfactory to the United States Coast Guard and provide the Owners with evidence of the same; and
 - (B) procure that the protection and indemnity insurances do not contain a US Trading Exclusion Clause or any other analogous provision and provide the Owners with evidence that this is so; and
 - (C) comply strictly with any operational or structural regulations issued from time to time by any relevant authorities under the Act so that at all times the Vessel falls within the provisions which limit strict liability under the Act for oil pollution.
- (t) The Owners shall be at liberty to take out an Innocent Owners' Interest Insurance in relation to the Vessel for such amounts and on such terms and conditions as the Owners may from time to time decide and any Finance Party shall be at liberty to take out a Mortgagees' Interest Insurance in relation to the Vessel for such amounts and on such terms and conditions as that Finance Party may from time to time decide.
- (u) The Charterers shall from time to time upon the Owners' demand:
 - (i) reimburse the Owners for all costs, premiums and expenses paid or incurred by the Owners in connection with any Innocent Owners' Interest Insurance; and
 - (ii) reimburse the Owners or any Finance Party for all costs, premiums and expenses paid or incurred by the Owners or that Finance Party in connection with any Mortgagees' Interest Insurance,

provided that (for the purpose of such reimbursement only) the costs, premiums and expenses in connection with the Innocent Owners' Interest Insurances and the Mortgagees' Interest Insurances shall be no more than such costs, premiums and expenses if the aggregate of the insured amount of the Innocent Owners' Interest Insurances and the insured amount of the Mortgagees' Interest Insurances does not exceed one hundred and ten per cent (110%) of the then current Cost Balance (in its equivalent in USD).

- (v) The Charterers agree and undertake that:
 - (i) in the event that the Charterers receive any payment in relation to the Insurances in contravention of this Charter, the Charterers will hold such payment on trust and on behalf of the Owners;
 - (ii) the Charterers will not refuse, withhold (or otherwise delay giving) consent to the payment of any amount which becomes payable to the Owners under the Insurances (to the extent that such payment is payable to the Owners in accordance with terms of this Charter);
 - (iii) at the request of the Owners and at the cost of the Charterers, place any other insurance (including but not limited to kidnap and ransom insurances) in line with international industry standards as may be requested by the

Owners and/or the Finance Parties (if any), acting reasonably and subject to the opinion(s) of international reputable and independent insurance consultants; and

- (iv) from time to time on the written request of the Owners, the Charterers will promptly execute and deliver to the Owners all documents which the Owners may require for the purpose of obtaining any payment in relation to the Insurances (to the extent that such payment is payable to the Owners in accordance with the terms of this Charter).

- (b) The Owners and the Charterers agree that:
- (i) it is a fundamental term and condition of this Charter that no Termination Event shall occur during the Agreement Term; and
 - (ii) without prejudice to the foregoing, a Termination Event shall constitute (as the case may be) either a repudiatory breach of, or breach of condition by the Charterers under, this Charter or an agreed terminating event the occurrence of which will (in any such case) entitle the Owners to exercise all or any of the remedies set out below in this Clause 49; and
- (c) At any time after a Termination Event shall have occurred and be continuing, the Owners may:

- (i) at their option and by delivering to the Charterers a termination notice (the "**Termination Notice**"), (A) (at any time on or after the Actual Delivery Date) terminate the chartering of the Vessel under this Charter (for the avoidance of any doubt, it being acknowledged that such termination may take place before, on or after the expiry of the Agreed Charter Period) with immediate effect or on the date specified in such Termination Notice and withdraw the Vessel from the service of the Charterers without noting any protest and without interference by any court or any other formality whatsoever, whereupon the Vessel shall no longer be in the possession of the Charterers with the consent of the Owners, and the Charterers shall redeliver the Vessel to the Owners in accordance with Clauses 42 (*Redelivery*) and 43 (*Redelivery conditions*) or (B) (at any time before the Actual Delivery Date) terminate the obligation of the Owners to deliver and charter the Vessel to the Charterers with immediate effect or on the date specified in such Termination Notice; and/or

- (e) On the Termination Payment Date in respect of any termination of (i) the chartering of the Vessel under this Charter or, (ii) as the case may be, the obligation of the Owners to deliver and charter the Vessel to the Charterers, in each case in accordance with paragraph (c) above, the Charterers shall pay to the Owners an amount equal to the Termination Sum whereupon paragraph (i) below shall apply.
- (f) Following any Termination to which this Clause 49 applies, all sums payable in accordance with paragraph (e) above shall be paid to such account or accounts as the Owners may direct.
- (g) Following any Termination to which this Clause 49 applies, if the Charterers have not paid to the Owners the Termination Sum by the applicable Termination Payment Date which falls on or after the Actual Delivery Date (and consequently the Owners have not transferred title to the Vessel to the Charterers (or its nominee acceptable to the Owners subject to the Owners' "know your customer" clearance, the "**Nominee**") in accordance with paragraph (i) below), then the Owners shall be entitled (but not obliged) to operate and/or sell the Vessel and apply the Net Sale Proceeds against the Termination Sum and claim from the Charterers for any shortfall.

- (i) If the chartering of the Vessel or, as the case may be, the obligation of the Owners to deliver and charter the Vessel to the Charterers is terminated in accordance with this Clause 49, once the Charterers have made the payment pursuant to paragraph (e) above to the satisfaction of the Owners, the Owners shall, if the Vessel has been delivered to the Owners (as buyers under the MOA), arrange for title of the Vessel to be immediately transferred to the Charterers in accordance with paragraphs (c) to (f) of Clause 52 (*Purchase Option, Purchase Obligation and transfer of title*).

- (b) The Charterers consent generally in respect of any proceedings to the giving of any relief and the issue of any process in connection with such proceedings including (without limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which is made or given in such proceedings.

74. Set-off

The Owners may set off any matured obligation due from the Charterers under the Transaction Documents against any matured obligation owed by the Owners to the Charterers, regardless of the place of payment or currency of either obligation. If the obligations are in different currencies, the Owners may convert either obligation at a market rate of exchange in their usual course of business for the purpose of the set-off.

75. FATCA

- (a) For the purpose of this Clause 75, the following terms shall have the following meanings:

"**Code**" means the United States Internal Revenue Code of 1986, as amended.

"**FATCA**" means:

- (i) sections 1471 through 1474 of the Code or any associated regulations;
- (ii) any treaty, law or regulation of any other jurisdiction, or relating to an intergovernmental agreement between the US and any other jurisdiction, which (in either case) facilitates the implementation of any law or regulation referred to in paragraph (i) above; or
- (iii) any agreement pursuant to the implementation of any treaty, law or regulation referred to in paragraphs (i) or (ii) above with the US Internal Revenue Service, the US government or any governmental or taxation authority in any other jurisdiction.

"**FATCA Deduction**" means a deduction or withholding from a payment under this Charter or the other Transaction Documents required by FATCA.

"FATCA Exempt Party" means a Party that is entitled to receive payments free from any FATCA Deduction.

- (b) Subject to paragraph (d) below, each Party shall, within ten Business Days of a reasonable request by another Party:
 - (i) confirm to that other Party whether it is:
 - (A) a FATCA Exempt Party; or
 - (B) not a FATCA Exempt Party;
 - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
 - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
- (c) If a Party confirms to another Party pursuant to paragraph (b)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (d) Paragraph (b) above shall not oblige the Owners to do anything, and paragraph (b)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
 - (i) any law or regulation;
 - (ii) any fiduciary duty; or
 - (iii) any duty of confidentiality.
- (e) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (b)(i) or (ii) above (including, for the avoidance of doubt, where paragraph (d) above applies), then such Party shall be treated for the purposes of this Charter and the other Transaction Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (f) Each Party, Obligor may make any FATCA Deduction it is required by FATCA to make, and any payment required in connection with that FATCA Deduction, and other than provided in paragraph (g) below, no Party or Obligor shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (g) If either the Charterers or any Guarantor is required to make a FATCA Deduction then the Charterers shall increase, or (as the case may be) procure that Guarantor to increase, the payment due from that Obligor to the Owners to an amount which (after making any FATCA Deduction) leaves an amount equal to the payment which would have been due if no FATCA Deduction had been required.

- (h) Each Party or Obligor (if applicable) shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party or Obligor (if applicable) to whom it is making the payment.
