The board of directors (the "**Directors**") of the Company (the "**Board**") hereby announces that the Board intends to repurchase shares of the Company (the "**Shares**") on the open market from the date of this announcement until 31 December 2025 (the "**Share Repurchase Plan**"). The Company will fund the Share Repurchase Plan using its existing available cash reserves and free cash flow (for the avoidance of doubt, the aforementioned funds do not involve any proceeds of the Company from the global offering of the Shares). Details of the 2025 Share Repurchase Mandate are set out in the circular published by the Company dated 23 April 2025.

The Company shall exercise its powers under the share repurchase mandate and carry out the proposed share repurchases in compliance with the memorandum and articles of association of the Company, the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**"), the Codes on Takeovers and Mergers and Share Buy-backs, the Companies Act of the Cayman Islands, and all other applicable laws and regulations.

The management team of the Company has full confidence in the prospects of the Group. The Share Repurchase Plan reflects the confidence of the Board and the management team in the Company's long-term business prospects and growth. The Board believes that the Share Repurchase Plan is in the best interests of the Company and its Shareholders as a whole.

Shareholders and potential investors should note that the implementation of the Share Repurchase Plan will be subject to market conditions and at the sole discretion of the Board and/or its authorized persons. There is no assurance as to the timing, quantity, or price of any repurchases or whether the Company will make any repurchases at all. Accordingly, Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
