INSIDE INFORMATION ANNOUNCEMENT
OBTAINING A MAJOR PAYMENT INSTITUTION LICENSE

This announcement is made by CWT International Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company is pleased to announce that Straits Millennium Pte Ltd ("**Straits Millennium**"), a non-wholly-owned subsidiary of the Company and a member of the Straits Financial Group (the financial services arm of the Group), has obtained a Major Payment Institution ("**MPI**") License with effect from 1 September 2025, from the Monetary Authority of Singapore (MAS) under the Payment Services Act 2019 following its in-principle approval earlier this year. The MPI License enables Straits Millennium to provide cross-border money transfer service and digital payment token service, facilitating the exchange of digital payment tokens and fiat currencies in financial market.

The Board is of the view that through the provision of its licensed services, Straits Millennium will facilitate connectivity between traditional financial markets - areas where the broader Straits Financial Group has substantial expertise, such as derivatives and commodities - and the emerging digital asset class. By operating a regulated and efficient platform within a compliant and secure ecosystem, the Straits Financial Group is positioned as a trusted and established financial services provider to address increasing client demand for professional digital asset access, thereby complementing their existing trading and investment objectives.

The Company will update the shareholders and potential investors of the Company any further information of the MPI License as and when appropriate in accordance with the Listing Rules.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
