PROFIT WARNING

This announcement is made by Zhengwei Group Holdings Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that based on the information currently available to management of the Company and a preliminary review and assessment of the Group’s latest unaudited consolidated management accounts for the eighteen months ended 30 June 2025 (the “**Management Accounts**”), the Group expects to record a consolidated net loss after tax of not less than approximately RMB108.0 million for the eighteen months ended 30 June 2025, as compared to a consolidated net profit after tax of approximately RMB67.5 million for the year ended 31 December 2023.

The Board considers that the decline in financial performance resulting in an expected consolidated net loss after tax of the Group for the eighteen months ended 30 June 2025 was mainly due to the significant increase in direct material costs resulting in the significant increase in cost of sales outweighing the corresponding increase in revenue, resulting in consolidated gross loss for the eighteen months ended 30 June 2025, as compared to a consolidated gross profit for the year ended 31 December 2023.

The Company is still in the process of finalising the annual results of the Group for the eighteen months ended 30 June 2025. The information contained in this announcement is only a preliminary assessment by the Board based on the Management Accounts and the latest information currently available to the Board, which have not been audited or reviewed by the auditor of the Company or the audit committee of the Board and may be subject to possible changes and adjustments upon further review. The annual results of the Group for the eighteen months ended 30 June 2025 are expected to be published on or about 30 September 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
