ANNOUNCEMENT
Arrangement of Ad-hoc Dealing

CSOP Asset Management Limited (the "**Manager**") wishes to notify Unitholders of the Products the arrangement of the ad-hoc primary market dealing for the Products when their underlying markets are closed on 8 and 9 October 2025 (the "**Ad-hoc Dealing**"). Unless otherwise defined, all capitalised terms shall have the same meaning as that in the Prospectus of the Trust.

Ad-hoc Dealing

The Manager and the Trustee have agreed to potentially facilitate primary market dealing for the units of the Products on 8 and 9 October 2025, despite the closure of the underlying security market.

The objective of the Ad-hoc Dealing (if implemented) is to enable market makers of the Products to replenish their ETF inventories to provide liquidity and restore demand-supply balance to the Products, thereby

narrowing the gap between the trading prices and the NAVs of the Products. The Ad-hoc Dealing expects to mitigate the impact of the underlying market closure and help maintain market stability.

For the avoidance of doubt, the secondary market dealing of the Products is available on the SEHK at any time the SEHK is open.

General
