*Notes:*

1. On 26 September 2025, the Group completed the disposal of 51.08% of the equity interest in Q Tech India. Upon the completion of the disposal, the Group holds 48.92% equity interest in Q Tech India, and Q Tech India ceases to be consolidated as a subsidiary of the Company (for further details, please refer to the announcements of the Company dated 15 July 2025, 7 August 2025, 17 September 2025 and 26 September 2025). Consequently, from September 2025 onwards, the sales volume of major products of Q Tech India will no longer be included in the consolidated sales volume of major products of the Group. The term “sales volume of major products of the Group” and the related comparative data referred to in this announcement will no longer include the sales volume of major products of Q Tech India.
2. The sales volume of major products of the Group includes the quantities of (i) finished camera modules and fingerprint recognition modules sold by the Group to customers in regions other than India; and (ii) camera modules and fingerprint recognition modules sold by the Group to Q Tech India, which includes both finished products and semi-finished products, but excludes raw materials.

The significant YoY increase in the total sales volume of camera module products was mainly attributable to the market share gain of the Group in mobile phone camera module business, as well as the substantial YoY increase in the sales volume of camera modules used in the Internet of Things (IoT) and smart vehicles.

The YoY increase in the total sales volume of fingerprint recognition module products was mainly attributable to the market share gain of the Group in fingerprint recognition module business, with a significant year-on-year increase in the sales volume of ultrasonic fingerprint recognition modules.
