POTENTIAL BUSINESS UPDATE

This announcement is made by Lvji Technology Holdings Inc. (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis.

In response to the trend of cultural consumption upgrades and in order to promote the diversified development of the Group's business, the Group intends to commence a new line of business under a cooperation model of "cultural tourism intellectual property + gold industry", creating a product line with differentiated characteristics. Accordingly, the board (the "**Board**") of directors (the "**Directors**") of the Company is pleased to announce that, in addition to the existing principal business of the Group, the Company is considering the establishment of a wholly-owned subsidiary (the "**Subsidiary**") in Hong Kong to engage in the sale of gold products through a business model of "directly-operated flagship stores + nationwide franchise chain stores" (the "**Potential Business Update**"). The Subsidiary will focus on gold coin sets, which would be significantly different from mainstream gold jewelry on the market. The range of the products is expected to cover series of commemorative coins, investment coins, and limited-edition collectible coins, etc.. In order to further strengthen the layout of its industrial chain and enhance its industry competitiveness, the Group also does not rule out the possibility of acquiring other local gold coin companies in Hong Kong in the future.

The Company wishes to emphasize that, as of the date of this announcement, the Subsidiary has not yet been established, and the specific details regarding the establishment of the Subsidiary and its final business model are still in the preliminary stage of negotiation. The Company will make further announcements as and when necessary in accordance with the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and other applicable laws and regulations.
