VOLUNTARY ANNOUNCEMENT

CHINA ISOTOPE'S ESG PRACTICE WINNING THE OUTSTANDING CHINA ESG PRACTICE (2025) AND THE ESG PIONEERS INDEX (TOP 100) OF CENTRAL STATE-OWNED ENTERPRISES (2025)

This announcement is voluntarily made by China Isotope & Radiation Corporation (“**CIRC**” or the “**Company**”) to keep its shareholders and potential investors informed of the latest business developments of the Company.

The board of directors of the Company is pleased to announce that recently, the ESG China • Innovation Annual Conference (2025), co-hosted by the China Enterprise Reform and Development Society and Shougang Group Co., Ltd. (首鋼集團有限公司), was successfully held in Beijing. The Company's ESG practice titled *Leveraging Nuclear Technology Advantages to Build “Healthy China” – China Isotope's Nuclear Medicine Solution* (《以核技術優勢打造“健康中國”—核醫療中國同輻方案》) received two honors: Outstanding China ESG Practice (2025) (中國ESG卓越實踐(2025)) issued by the China Enterprise Reform and Development Society, and ESG Pioneers Index (Top 100) of Central State-owned Enterprises (2025) (中國ESG上市央企先鋒100(2025)) released by China Media Group.

Guided by technological innovation, the Company has built a full-chain innovation system covering radiopharmaceuticals, nuclide preparation and nuclear medical equipment. It has intensified efforts in tackling “bottleneck” technologies and bravely assumes the role of guardian of “Healthy China”. While advancing the Company's transformation and upgrading through green development, the Company has innovated the circular economy development model for nuclear technology applications, achieving the coordinated development of economic benefits, environmental benefits, and social benefits. The Company thus realizes high-quality and sustainable development while safeguarding people's health.
