INTRODUCTION

The purpose of this circular is to provide you with information regarding the resolutions to be proposed at the AGM which include (i) the grant of the Repurchase Mandate and the Issue Mandate; (ii) the re-election of Directors; and (iii) the notice for convening the AGM.

GENERAL MANDATE TO REPURCHASE SHARES

An ordinary resolution will be proposed that the Directors be granted a general and unconditional mandate to exercise all the powers of the Company to repurchase the Shares on the Stock Exchange up to a maximum of 10% of the issued share capital of the Company as at the date of passing of the relevant resolution at the AGM.

Assuming no further Shares are issued and repurchased prior to the AGM and based on the issued share capital of the Company of 523,184,390 Shares as at the Latest Practicable Date, the Company would be allowed to repurchase a maximum of 52,318,439 Shares under the Repurchase Mandate.

LETTER FROM THE BOARD

An explanatory statement required by the Listing Rules in connection with the proposed general mandate to repurchase Shares is set out in Appendix I to this circular. The explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolutions at the AGM.

GENERAL MANDATE TO ISSUE SHARES

An ordinary resolution will also be proposed that the Directors be granted a general and unconditional mandate to exercise all the powers of the Company to allot, issue and deal with new Shares of up to a maximum of 20% of the issued share capital of the Company as at the date of passing of the relevant resolution at the AGM.

Assuming no further Shares are issued or repurchased prior to the AGM and based on the issued share capital of the Company of 523,184,390 Shares as at the Latest Practicable Date, the Company would be allowed to allot and issue a maximum of 104,636,878 Shares under the Issue Mandate.

In addition, an ordinary resolution will be proposed at the AGM adding any Shares repurchased under the Repurchase Mandate to the Issue Mandate. The Repurchase Mandate and the Issue Mandate would continue to be in force until the conclusion of the next annual general meeting of the Company unless it is renewed at such meeting or until revoked or varied by ordinary resolutions of the Shareholders in a general meeting held prior to the next annual general meeting of the Company.

RE-ELECTION OF DIRECTORS

As at the Latest Practicable Date, the Board consists of five Directors, namely, Mr. Wong Siu Keung Joe, Ms. Chu Yin Yin Georgiana (“**Ms. Chu**”), Mr. Chiu Wai On, Mr. Man Kwok Leung (“**Mr. Man**”) and Mr. To Chun Wai.

According to Bye-law 86(2) of the Bye-laws, any Director appointed to fill a causal vacancy on the Board shall hold office until the next following general meeting of the Company and any Director appointed as an addition to the existing Board shall hold office until the next following annual general meeting of the Company and shall then be eligible for re-election.

According to Bye-law 87 of the Bye-laws, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at least once every three years. A retiring Director shall be eligible for re-election and shall continue to act as a Director throughout the meeting at which he retires.

According to the above provisions, Ms. Chu and Mr. Man will retire from office as Directors at the AGM and all retiring Directors are eligible and will offer themselves for re-election at the AGM.

LETTER FROM THE BOARD

Each of the independent non-executive Directors has made a confirmation of independence pursuant to the independence guidelines set out in Rule 3.13 of the Listing Rules.

The nomination committee of the Company (the “**Nomination Committee**”) has reviewed the biographies of each of the retiring Directors who will be subject to retirement and re-election at the AGM (the “**Retiring Directors**”), and taking into consideration their knowledge, experience, capability and various diversity aspects as set out in the board diversity policy of the Company as well as their overall contributions and services to the Company of the Retiring Directors including his attendance of Board/general meetings and the level of participation and performance on the Board.

The Nomination Committee also considered the independence of the independent non-executive Directors. Mr. Man has served the Company as an independent non-executive Director for more than nine years during which period of Mr. Man provided professional advice and insight to the Board with his respective extensive experience and knowledge in the accounting and legal aspects. Mr. Man has in-depth understanding of the Group’s business and operation and has also demonstrated strong independence by providing comments at Board and Board committee meetings during his tenure of office. In addition, Mr. Man does not have any financial or family relationships with any other Directors, senior management, substantial shareholders or controlling shareholders of the Company, which could give rise to a conflict of interests situation or otherwise affect his exercise of independent judgement. In view of the aforesaid factors, the Nomination Committee considered that long service of Mr. Man would not affect his exercise of independent judgment and was satisfied that Mr. Man has the required integrity and experience to continue fulfilling the role of an independent non-executive Director. The Nomination Committee affirmed that the independent non-executive Directors remain independent and is of the view that the Retiring Directors will continue to contribute to the Board with their respective perspectives, skills and experience.

Taking into consideration of the above, the Board is of the view that Mr. Man remains committed to the role as independent non-executive Director and will continue to be independent. The Board also accepted the nomination by the Nomination Committee and recommended all of the Retiring Directors to stand for re-election by the Shareholders at the AGM.

In accordance with the Corporate Governance Code as set out in the Listing Rules, the re-election of Mr. Man will be subject to a separate resolution to be approved at the AGM.

Brief biographical details of Ms. Chu and Mr. Man are set out in Appendix II to this circular.

LETTER FROM THE BOARD

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
By order of the Board
DeTai New Energy Group Limited
Wong Siu Keung Joe
Chairman and Executive Director

This appendix serves as an explanatory statement, as required by Rule 10.06 of the Listing Rules, to provide certain information to you for your consideration of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, there was a total of 523,184,390 Shares in issue.

Subject to the passing of the proposed resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 52,318,439 Shares.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate shall be funded out of funds legally available for such purpose in accordance with the Bye-laws and the applicable laws of Bermuda. Under Bermuda law, repurchased shares will be cancelled and the Company's issued share capital will be reduced by the nominal value of the repurchased shares accordingly. However, the aggregate amount of the Company's authorised capital will not be reduced.

4. GENERAL

With effect from 11 June 2024, the Listing Rules are amended pursuant to the "Consultation Conclusions on Proposed Amendments to Listing Rules Relating to Treasury Shares" published by the Stock Exchange on 12 April 2024 (the "**Rule Amendment**"). Following the Rule Amendment, if the Company repurchases Shares pursuant to the Repurchase Mandate, the Company will either (i) cancel the repurchased Shares and/or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made.

For any treasury shares (the "**Treasury Shares**") deposited with Hong Kong Securities Clearing Company Limited ("**CCASS**") pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the Treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions; or take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as Treasury Shares.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 30 June 2025) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

In addition, the Company has confirmed that neither the Explanatory Statement nor the proposed share repurchase has any unusual features.

5. SHARE PRICES

The following table shows the highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the 12 months preceding the Latest Practicable Date:

August	0.216	0.186
September	0.242	0.162
October (up to the Latest Practicable Date)	0.194	0.173

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

None of the Directors, to the best of their knowledge having made all reasonable enquiries, nor any of their respective close associates, has any present intention to sell any Shares to the Company or its subsidiaries, if the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected person (as defined in the Listing Rules) that such a person has a present intention to sell, or has undertaken not to sell, any Shares to the Company or its subsidiaries, if the Repurchase Mandate is approved by the Shareholders.

7. TAKEOVERS CODE

In the event that the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, so far as the Directors are aware, the following Shareholder had interests in 5% or more of the issued share capital of the Company:

Name of Shareholder	Number of Shares interested (Note)	Approximate % of issued share capital as at the Latest Practicable Date	Approximate % of issued share capital if Repurchase Mandate is exercised in full
Mr. Tong Liang	146,821,712 (L)	28.06%	31.18%

Note: The letter (L) denotes the person's long position in such securities.

As at the Latest Practicable Date, the Directors are not aware of any such consequences which would arise under the Takeovers Code as a consequence of any exercise of the Repurchase Mandate. In the event that any exercise of the Repurchase Mandate would, to the knowledge of the Directors, have such a consequence, the Directors have no present intention to exercise the Repurchase Mandate to such an extent as would trigger a mandatory offer obligation for any Shareholder or group of Shareholders.

The Directors have no present intention to exercise the Repurchase Mandate to such an extent as would result in the amount of Shares held by the public being reduced to less than 25% of the total issued shares of the Company.

8. SHARE REPURCHASE MADE BY THE COMPANY

In the six months immediately preceding the Latest Practicable Date, the Company had not repurchased Shares, whether on the Stock Exchange or otherwise.

The following are the particulars of the Directors who will retire and, being eligible, offer themselves for re-election at the AGM:
