**ANNOUNCEMENT ON ADJUSTMENT TO  
THE CONVERSION PRICE OF  
A SHARE CONVERTIBLE CORPORATE BONDS**

References are made to the announcement of Dynagreen Environmental Protection Group Co., Ltd.\* (綠色動力環保集團股份有限公司) (the “**Company**”) dated 23 July 2021, the circular of the Company dated 6 August 2021, the announcement on the poll results of the extraordinary general meeting of the Company dated 24 August 2021 and the announcement of the Company dated 22 February 2022, in relation to the proposed issuance of A share convertible corporate bonds.

**IMPORTANT NOTE:**

- Conversion price before the adjustment: RMB9.15 per share
- Conversion price after the adjustment: RMB9.05 per share
- Implementation date of the adjustment to the conversion price of the Dynagreen Convertible Bonds: 11 November 2025
- Conversion of Dynagreen Convertible Bonds will be suspended in the period from 31 October 2025 to 10 November 2025 (i.e. the equity distribution registration date of A shares)

## I. BASIS FOR ADJUSTMENT TO THE CONVERSION PRICE

As approved by the Approval for the Public Issuance of Convertible Corporate Bonds of Dynagreen Environmental Protection Group Co., Ltd.\* (Zheng Jian Xu Ke [2022] No. 132) issued by the CSRC, on 25 February 2022, the Company issued 23.6 million A share convertible corporate bonds with a nominal value of RMB100 each, with a total issuance size of RMB2.36 billion. As approved by the Self-regulatory Decision [2022] No. 70 issued by the Shanghai Stock Exchange, the A share convertible bonds of the Company in an amount of RMB2.36 billion were listed on the Shanghai Stock Exchange for trading on 23 March 2022 (abbreviation of the bonds: “Dynagreen Convertible Bonds”, code of the bonds: “113054”). The initial conversion price is RMB9.82 per share. Due to the Company’s implementation of equity distribution for 2021, the conversion price of “Dynagreen Convertible Bonds” was adjusted to RMB9.72 per share with effect from 21 July 2022. Due to the Company’s implementation of equity distribution for 2022, the conversion price of “Dynagreen Convertible Bonds” was adjusted to RMB9.60 per share with effect from 26 July 2023. Due to the Company’s implementation of equity distribution for 2023, the conversion price of “Dynagreen Convertible Bonds” was adjusted to RMB9.45 per share with effect from 26 June 2024. Due to the Company’s implementation of interim equity distribution for 2024, the conversion price of “Dynagreen Convertible Bonds” was adjusted to RMB9.35 per share with effect from 19 November 2024. Due to the Company’s implementation of equity distribution for 2024, the conversion price of “Dynagreen Convertible Bonds” was adjusted to RMB9.15 per share with effect from 30 July 2025.

On 19 September 2025, the Company convened the 2025 second extraordinary general meeting, at which the Proposal in relation to the Interim Profit Distribution Plan for 2025 was considered and approved, pursuant to which it was decided to distribute a cash dividend of RMB0.1 per share (tax inclusive) to all shareholders based on the aggregate share capital on the share-based equity registration date. If the total share capital of the Company changes due to the conversion of the A share convertible bonds, etc. during the period from the disclosure date of the profit distribution plan to the share-based equity registration date, the Company proposes to maintain the distribution amount per share unchanged and adjust the total profit distribution amount accordingly. The equity distribution registration date of A shares for the profit distribution plan is 10 November 2025 and the ex-dividend date is 11 November 2025.

Pursuant to the issuance terms under the Offering Document of the Public Issuance of Convertible Corporate Bonds by Dynagreen Environmental Protection Group Co., Ltd.\* (the “**Offering Document**”) and the relevant provisions of the CSRC on issuance of convertible corporate bonds, the Company shall make adjustment to the conversion price according to relevant formula in certain events that lead to changes in the number of shares of the Company subsequent to the issuance of the “Dynagreen Convertible Bonds”, such as distribution of share dividends, capitalisation, issuance of new shares or rights issue and distribution of cash dividends (excluding any increase in the share capital as a result of conversion of the A share convertible bonds).

The adjustment to the conversion price of the A share convertible bonds by the Company due to the implementation of the interim equity distribution for 2025 is in line with the relevant provisions under the Offering Document of the Company.

## II. CONVERSION PRICE ADJUSTMENT FORMULA AND ADJUSTMENT RESULT

In accordance with relevant terms under the Offering Document of the Company, the conversion price is subject to adjustments in certain events that lead to changes in the number of shares of the Company, such as distribution of share dividends, capitalisation, issuance of new shares or rights issue and distribution of cash dividends (excluding any increase in the share capital as a result of conversion of the A share convertible corporate bonds). The Company will adjust the conversion price based on the following formula (rounded off to two decimal places):

Distribution of share dividends or capitalisation:  $P1 = P0/(1+n)$ ;

Issuance of new shares or rights issue:  $P1 = (P0+A \times k)/(1+k)$ ;

The above two events occurring concurrently:  $P1 = (P0+A \times k)/(1+n+k)$ ;

Distribution of cash dividends:  $P1 = P0-D$ ;

The above three events occurring concurrently:  $P1 = (P0-D+A \times k)/(1+n+k)$ .

In the aforesaid formulae, “P0” denotes the conversion price before the adjustment; “n” denotes the rate of distribution of share dividends or capitalisation; “k” denotes the rate of issuance of new shares or rights issue; “A” denotes the price of issuance of new shares or rights issue; “D” denotes the cash dividend per share and “P1” denotes the adjusted conversion price.

According to the above terms, due to the distribution of interim cash dividends for 2025, the conversion price of the “Dynagreen Convertible Bonds” is adjusted from RMB9.15 per share to RMB9.05 per share. The conversion period of the “Dynagreen Convertible Bonds” is from 5 September 2022 to 24 February 2028. The conversion price after the adjustment shall take effect from 11 November 2025, i.e. the ex-dividend date.

The conversion of “Dynagreen Convertible Bonds” will be suspended in the period from 31 October 2025 to 10 November 2025 (i.e. the equity distribution registration date of A shares) and resume on 11 November 2025.
