If the Company fully exercises the A Shares repurchase general mandate (on the basis of 1,952,475,544 A Shares in issue as at the Latest Practicable Date, and assuming that no Shares will be allotted and issued or repurchased by the Company on or prior to the date of the EGM and Class Meetings), the Company may repurchase up to 195,247,554 A Shares during the Relevant Period, i.e. the aggregate number of A Shares held through repurchase shall not exceed 10% of the total A share capital of the Company in issue (excluding any treasury A Shares, if applicable).

The full exercise of the H Shares repurchase general mandate (on the basis of 116,383,500 H Shares in issue as at the Latest Practicable Date, and no Shares will be allotted and issued or repurchased by the Company on or prior to the date of the EGM and Class Meetings) would result in the repurchase of up to 11,638,350 H Shares by the Company during the relevant period, i.e., the total number of H Shares repurchased shall not exceed 10% of the total H share capital of the Company in issue (excluding any treasury H Shares, if applicable).

The Company may cancel the Shares bought back under the repurchase mandate and/or hold them as treasury shares subject to such factors as market conditions, purposes of repurchases and its capital management needs at the relevant time of the repurchases.

REPURCHASE PURPOSES

The repurchase of Shares is to safeguard the long-term interests of investors and promote the maximization of the Shareholders' values, enhance corporate value, ensuring stable, healthy and sustainable development of the Group's operations. Share repurchases will only be made when the Board believes that such repurchases will benefit the Company and its Shareholders as a whole.

FUNDING AND METHOD OF THE REPURCHASE

When repurchasing Shares, the funds for repurchase of the Company will include self-owned funds of the Company or funds that meet the requirements of laws and regulations.

The Company is empowered by its Articles of Association to repurchase its Shares. In repurchasing its Shares, the Company intends to apply funds from the Company's internal resources legally available for such purpose in accordance with the Articles of Association and the applicable laws, rules and regulations of the PRC.

GENERAL INFORMATION

The Directors consider that there would not be a material adverse impact on the working capital or on the gearing level of the Company (as compared to those disclosed in the audited accounts contained in the latest published annual report of the Company for the year ended December 31, 2024) in the event that the general mandate to repurchase A Shares and/or H Shares is exercised in full at any time during the proposed repurchase period as permitted by laws and regulations. However, the Board will not exercise the general mandate to repurchase A Shares and/or H Shares to such extent as would, in the circumstances, have a material adverse impact on the working capital requirements or the gearing levels of the Company in the opinion of the Board. The Board and relevant authorized persons will determine the number of A Shares and/or H Shares to be repurchased, as well as the price and other terms for the repurchase of A Shares and/or H Shares according to relevant laws and regulations and the volatility and changes in the capital market and the share price of the Company, in the best interests of the Company and the Shareholders as a whole.

The Board will exercise the power of the Company to make repurchase of A Shares and/or H Shares prudently in accordance with the Hong Kong Listing Rules, the Articles of Association and the applicable laws, rules and regulations of the PRC.

NO UNUSUAL FEATURES

The Directors confirmed that neither the explanatory statement nor the proposed repurchase of A Shares and/or H Shares has any unusual features.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of H Shares have been made by the Company either on the Hong Kong Stock Exchange or otherwise in the six months immediately preceding the Latest Practicable Date.

STATUS OF A SHARES AND H SHARES REPURCHASED BY THE COMPANY

With effect from June 11, 2024, the amended Hong Kong Listing Rules have removed the requirement on cancellation of the repurchased Shares and adopted a framework to allow the repurchased Shares to be held in treasury and to govern the resale of the treasury shares. As of the Latest Practicable Date, the Company had no repurchased Shares and did not have any treasury shares. The A Shares repurchased by the Company under the detailed repurchase plan (if any) formulated by the Board pursuant to the A Share repurchase mandate will be transferred or cancelled in accordance with the provisions of the detailed repurchase plan (if any), and subject to the relevant laws, regulations, and provisions of the PRC.

For any treasury shares deposited with CCASS pending resale on the Hong Kong Stock Exchange, the Company shall (i) procure its broker not to give any instructions to the Hong Kong Securities Clearing Company Limited to vote at general meetings of the Company for the treasury shares deposited with CCASS; and (ii) in the case of dividends or distributions,

withdraw the treasury shares from CCASS, and either re-register them in the Company's name as treasury shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that the Company will not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its name as treasury shares.

DISCLOSURE OF INTERESTS

If a substantial Shareholder's proportionate interest in the voting rights of the Company increases as a result of share repurchase by the Company, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company or further become obligated to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, China Tourism Group Co., Ltd. ("CTG") held 1,040,642,690 A Shares, representing approximately 50.30% of the total issued share capital of the Company. CTG is the controlling Shareholder of the Company.

If the Board were to exercise the A Shares and H Shares repurchase general mandate in full, the percentage of interest held by CTG in the Company would increase to approximately 55.88% of the total share capital of the Company (assuming it does not participate in such repurchase). Accordingly, the Directors are of the view that the full exercise of the A Shares and H Shares general mandate would not result in CTG being obliged to make a mandatory general offer under Rule 26 of the Takeovers Code. Therefore, the Directors are not aware of any consequences under the Takeovers Code that would arise as a result of the repurchase of A Shares and/or H Shares.

The Board is not aware of any consequences which will arise under the Takeovers Code and/or any similar applicable law, as a result of any repurchases to be made under the A Shares and/or H Shares repurchase general mandate. Moreover, the Board will not exercise the repurchase mandate if the repurchase would result in the public float unsatisfying the minimum public float requirements under Rule 8.08 of the Hong Kong Listing Rules.

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their close associates (as defined in the Hong Kong Listing Rules) currently intends to sell the Company's Shares to the Company under the A Shares and/or H Shares repurchase general mandate in the event that the A Shares and/or H Shares repurchase general mandate is approved by the Shareholders and the conditions (if any) to which the share repurchase general mandate are fulfilled.

As at the Latest Practicable Date, the Company has not been notified by any core connected persons (as defined in the Hong Kong Listing Rules) that they have a present intention to sell any Company's Shares to the Company, or that they have undertaken not to sell any securities held by them to the Company in the event that the A Shares and/or H Shares repurchase general mandate is approved by its Shareholders and the conditions (if any) to which the A Shares and/or H Shares repurchase general mandate are fulfilled.
