POSITIVE PROFIT ALERT

This announcement is made by GoFintech Quantum Innovation Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors of the Company (the "**Director(s)**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on its preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2025 (the "**Period**") and the information currently available to the Board, the Group is expected to record a net profit attributable to the owners of the Company in the approximate range of HK$200 million to HK$210 million for the Period, as compared to a net loss attributable to the owners of the Company of approximately HK$10.9 million for the corresponding period in 2024.

The increase in the profit for the Period was mainly due to (i) a recognition in net gains on investments at fair value through profit or loss during the Period; (ii) a gain from disposals of cryptocurrencies; and (iii) an increase in operating profit generated from the principally-engaged businesses of the Group which include, amongst others, the securities brokerage and margin financing businesses of the Group.

The Company is still in the process of finalising the interim results of the Group for the Period (the "**Interim Results**"). The information contained in this announcement is based on the information currently available to the Company and the preliminary assessment of the unaudited consolidated management accounts of the Group, which have not been reviewed by the Company's audit committee nor audited or reviewed by the Company's auditor. As such, the Interim Results may be subject to adjustment and may differ from the information contained in this announcement. The announcement for the Interim Results will be published on 28 November 2025. Shareholders and potential investors are advised to refer to the interim results announcement of the Company when it is published.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
