PROFIT WARNING

This announcement is made by 3DG Holdings (International) Limited (the "Company", together with its subsidiaries, the "Group") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "Board") wishes to inform the shareholders of the Company (the ''Shareholders'') and potential investors that, based on the information currently available to the Board and the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2025 (the "Period"), the Group expects to record a loss attributable to its equity holders of the Company for the Period in the range of approximately HK$85 million to HK$95 million, compared with the loss of approximately HK$50 million for the six months ended 31 December 2024. The Board considers that the increase in loss was mainly attributed to hedging loss caused by the surge in gold price, which impacted the fair values of the gold loans. The gold rally accelerated toward the end of the Period, with more than half of the total hedging loss for the Period incurred in September 2025 alone.

CAUTION STATEMENT

The Board wishes to remind investors that the above financial data is based on the unaudited consolidated management accounts of the Group for the six months ended 30 September 2025 and the information currently available to the Board. Such information has not been reviewed by the independent auditor of the Company and is subject to finalisation or necessary adjustments upon further review. Shareholders and potential investors are advised to read carefully the interim results announcement of the Company for the Period which is expected to be published on 26 November 2025. **Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
