PROFIT WARNING

This announcement is made pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of FEG Holdings Corporation Limited (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to inform the shareholders and potential investors of the Company that, based on the preliminary review of the latest unaudited consolidated management accounts of the Group and the information currently made available to the Board, the Group is expected to record a consolidated loss from continuing operations attributable to owners of the Company in the range of approximately HK$20 million to approximately HK$30 million for the six months ended 30 September 2025 (the "**Reporting Period**") as compared to consolidated loss from continuing operations attributable to owners of the Company of approximately HK$4.8 million for the corresponding period of 2024, which is mainly due to (i) the decrease in revenue as a result of the decrease in the number of construction projects with large contract value and renovation projects undertaken by the Group during the Reporting Period compared to the corresponding period of 2024; and (ii) the decrease in gross profit margin as a result of the continuous effect of those construction projects related to the threerunway system at the Hong Kong International Airport which started in the fourth fiscal quarter of 2024.

As the Company is still in the process of finalising the interim results of the Group for the Reporting Period, the information contained in this announcement is based solely on the Board's preliminary assessment of the latest unaudited consolidated management accounts of the Group and the information currently available, which have neither been reviewed by the audit committee of the Company nor reviewed or audited by the Company's auditors.

The above information may be subject to further adjustments upon final review by the Board. Shareholders and potential investors of the Company are advised to refer to the details in the interim results of the Group for the Reporting Period, which is expected to be published in late November 2025 in accordance with the Listing Rules.

Shareholders and potential investors of the Company should exercise caution when dealing in the shares of the Company.
