VOLUNTARY ANNOUNCEMENT
ENTRY INTO A STRATEGIC COOPERATION FRAMEWORK AGREEMENT WITH QINGYANG GOVERNMENT AND MEDICAL IMAGE INSIGHTS

This announcement is made by the board (the "**Board**") of directors (the "**Directors**") of Jiangxi Rimag Group Co., Ltd. (the "**Company**", together with its subsidiaries collectively referred to as the "**Group**") on a voluntary basis to inform the Shareholders and potential investors of the Company of the latest business developments of the Group.

The Board is pleased to announce that the Company recently entered into a strategic framework cooperation agreement with the Qingyang Municipal People's Government ("**Qingyang Government**") in Gansu Province and Shanghai Medical Image Insights Intelligent Technology Co., Ltd. (上海影禾醫脈智能科技有限公司) ("**Medical Image Insights**"), a medical imaging artificial intelligence company incubated by the Company, pursuant to which, the three parties thereof intend to carry out strategic cooperation ("**Strategic Cooperation**") on the establishment of shared medical imaging centers, an interconnected, interoperable and mutually recognized platform for imaging cloud index, and a trusted data space for healthcare. The Strategic Cooperation will effectively integrate medical resources by establishing regional shared imaging diagnostic centers and digital platforms, providing standardized and high-quality medical imaging services to local medical institutions. The Strategic Cooperation will also promote the construction of medical informatization platforms, establish an interconnected, interoperable and mutually recognized system and a trusted data space for healthcare, thereby assisting in implementing tiered diagnosis and treatment, strengthening coordination among medical institutions at all levels, resolving issues such as data silos and repeated examinations, enhancing resource utilization efficiency, and facilitating the assetization of medical data.

The Board considers that the Strategic Cooperation will help the Group enhance its capability in regional medical resource integration and governance, further expand its market in the Northwest region, and enlarge the footprint of its shared medical imaging centers, which is in the interests of the Company and its Shareholders as a whole.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
