VOLUNTARY ANNOUNCEMENT
BITCOIN PURCHASE PLAN

This announcement is made by Sinohope Technology Holdings Limited (the "**Company**" and, together with its subsidiaries, the "**Group**") on a voluntary basis and aims to update the shareholders of the Company and potential investors on the latest development of the Group.

The board of directors of the Company (the "**Board**"), following a comprehensive analysis of market conditions, industry trends, the Group's business and development strategy, is of the view that the recent phase of adjustment in the global cryptocurrency market has positioned Bitcoin, as the benchmark asset within the sector, to possess robust long-term investment value. Accordingly, the Board hereby announces that the Group intends to implement a Bitcoin purchase plan (the "**Potential Investment**") on the open market through cryptocurrency trading platforms, with a total purchase amount not exceeding US$5 million (equivalent to approximately HK$39 million). The consideration for the Potential Investment will be determined based on the purchase price of Bitcoin on the open market and will be funded from the Group's internal resources.

The Potential Investment is designed to form part of the Group's strategy to diversify its assets. The Group will determine the appropriate timing and amount of Bitcoin to be purchased based on factors such as the performance of the cryptocurrency market and price.

As of the date of this announcement, the Group has in relation to the Potential Investment purchased approximately 24.29 units of Bitcoin in aggregate, the average purchase price is US$82,338, with the total consideration of approximately US$2 million (equivalent to approximately HK$15.6 million).

As the applicable percentage ratios for the purchase already made under the Potential Investment are below 5%, it does not constitute a notifiable transaction under Chapter 14 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**").

The Company will comply with the requirements regarding notifiable transaction of Chapter 14 of the Listing Rules and make further discourse as and when necessary.
