PROFIT WARNING

This announcement is made by Synertone Communication Corporation (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors that, based on the review of the latest unaudited consolidated management accounts of the Group for the six months ended 30 September 2025 (the “**Period**”), the Group is expected to record (i) a revenue of approximately HK\$9.3 million for the Period, representing a decrease of approximately 87.8% when compared with the revenue of approximately HK\$76.1 million for the correspondence period in 2024; and (ii) a loss of approximately HK\$14.9 million for the Period, which is at a similar level to that of the corresponding period in 2024. The substantial revenue decline is primarily attributable to the scaling back of the smartphone distribution business segment during the Period, where intense market competition and low profitability prevail. Given this segment’s slim margins, the decline in its revenue did not result in a material impact for the Group’s loss during the Period.

As the Company is still in the process of finalising the interim results of the Group for the Period, the information contained in this announcement is only based on the Company's preliminary assessment on the latest unaudited consolidated management accounts of the Group for the Period and other financial information currently available to the Company, which have not been audited or reviewed by the auditors of the Company or have been confirmed by the audit committee of the Board. The interim results announcement of the Company for the Period is expected to be released and published on 28 November 2025.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
