The board (the "**Board**") of directors (the "**Director(s)**") of the Company hereby inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on its preliminary assessment of the Group's unaudited consolidated management accounts for the six months ended 30 September 2025 (the "**Period**"), the Group is expected to record an unaudited loss attributable to owners of the Company ranging from approximately HK$14.0 million to HK$18.0 million for the Period, as compared to a loss attributable to owners of the Company of approximately HK$7.5 million for the six months ended 30 September 2024.

Based on the information currently available, the expected increase in loss attributable to owners of the Company was primarily attributable to (i) the absent of gain on reversal of expected credit loss allowance; (ii) the decrease in other income for the Period, among others, due to the decrease in gain on settlement; and (iii) the increase in exchange loss, as compared with the corresponding period in 2024.

The Group is still in the process of preparing the unaudited consolidated results of the Group for the Period. The information contained in this announcement is only based on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group for the Period and information currently available to the Company, which have not been reviewed or audited by the auditors of the Company nor the audit committee of the Company, and may therefore be subject to change.
