Taking into account the preliminary legal advice provided in the PRC and having considered the circumstances, the Directors are of the view that the relevant overseas legal restrictions and requirements of the relevant regulatory body or the Stock Exchange do not make it necessary or expedient to exclude the Overseas Shareholders with registered addresses in the PRC from the Rights Issue. Accordingly, the Rights Issue will be offered to the Overseas Shareholders in the jurisdiction of the PRC. The Board notes the requirements specified in Rule 13.36(2)(a) of the Listing Rules and will continue to ascertain whether there are any Overseas Shareholders at the Record Date and will make enquiries in the relevant jurisdictions as to the feasibility of extending the Rights Issue to the Overseas Shareholders, if any. If, after making such enquiries, the Board is of the opinion that it would be necessary or expedient, on account either of the legal restrictions under the laws of the relevant place or any requirements of the relevant regulatory body or stock exchange in that place, not to offer the Rights Shares to the relevant Overseas Shareholders, no provisional allotment of nil-paid Rights Shares or allotment of fully-paid Rights Shares will be made to such Overseas Shareholders. In such circumstances, such Overseas Shareholders will become Non-Qualifying Shareholders and the Rights Issue will not be extended to them. The Company will, to the extent permitted under the relevant laws and regulations and reasonably practicable, send the Prospectus to the Non-Qualifying Shareholders for information purposes only but will not send any PAL to them.

LETTER FROM THE BOARD

The Non-Qualifying Shareholders (which are excluded from the Rights Issue) will not have any entitlement under the Rights Issue. However, arrangements will be made for the Rights Shares, which would otherwise have been provisionally allotted to the Non-Qualifying Shareholders, to be sold in their nil-paid form as soon as practicable after dealings in the nil-paid Rights Shares commence, if a premium (net of expenses) can be obtained. The proceeds of such sale, less expenses, will be paid pro-rata (but rounded down to the nearest cent) to the Non-Qualifying Shareholders in Hong Kong dollars, except that the Company will retain individual amounts of less than HK\$100 for its own benefit.

Arrangements for the NQS Rights Shares

Arrangements will be made for the Rights Shares which would otherwise have been provisionally allotted to the Non-Qualifying Shareholders to be sold in the market in their nil-paid form as soon as practicable after dealings in the nil-paid Rights Shares commence and before the last day for dealing in the nil-paid Rights Shares, if a premium (net of expenses) can be obtained. Any net proceeds of sale thereof, after deduction of expenses, will be paid in Hong Kong dollars to the Non-Qualifying Shareholders pro rata to their respective entitlements, provided that if any of such persons would be entitled to a sum not exceeding HK\$100, such sum will be retained by the Company for its own benefit. Any such unsold nil-paid Rights Shares to which such Non-Qualifying Shareholders would otherwise have been entitled will be offered for subscription by the Placing Agent to the Placees under the Placing and, if not successfully placed out, will be taken up by the Underwriter pursuant to the terms of the Underwriting Agreement.

For the nil-paid Rights Shares that are sold in the market by the Company as described above, if the buyer(s) of such nil-paid Rights Shares does/do not take up the entitlement, such Unsubscribed Rights Shares will be subject to the Compensatory Arrangements.

Procedures for acceptance, splitting of PAL and payment and/or transfer of the Rights Shares

The PAL in printed form despatched to Qualifying Shareholder(s) entitles the Qualifying Shareholder(s) to whom it is addressed to subscribe for the number of Rights Shares shown therein. If the Qualifying Shareholders wish to accept all the Rights Shares provisionally allotted to them as specified in the PALs, they must lodge the PALs in accordance with the instructions printed thereon, together with a remittance for the full amount payable on acceptance, with the Registrar, at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong, by no later than 4:00 p.m. on Thursday, 11 December 2025. All remittances must be made in Hong Kong dollars by cheques which must be drawn on an account with, or by cashier's orders which must be issued by, a licensed bank in Hong Kong and made payable to "TRICOR INVESTOR SERVICES LIMITED – A/C NO. 004" and crossed "Account Payee Only".

LETTER FROM THE BOARD

It should be noted that unless the duly completed PAL, together with the appropriate remittance, has been lodged with the Registrar by no later than 4:00 p.m. on Thursday, 11 December 2025, whether by the original allottee or any person in whose favour the provisional allotment has been validly transferred, that provisional allotment and all rights and entitlement thereunder will be deemed to have been declined and will be cancelled. The Company may, at its sole discretion, treat a PAL as valid and binding on the person(s) by whom or on whose behalf it is lodged even if the PAL is not completed in accordance with the relevant instructions. The Company may require the relevant person(s) to complete the incomplete PAL at a later stage.

If the Qualifying Shareholders wish to accept only part of the provisional allotment or transfer part of their rights to subscribe for the Rights Shares provisionally allotted to them under the PAL or transfer part/all of their rights to more than one person, the original PAL must be surrendered for cancellation by no later than 4:30 p.m. on Wednesday, 3 December 2025 to the Registrar, who will cancel the original PAL and issue new PALs in the denominations required. The new PALs will be available for collection from the Registrar, at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong, after 9:00 a.m. on the second Business Day after the surrender of the original PAL. It should be noted that Hong Kong ad valorem stamp duty is payable in connection with the transfer of the rights to subscribe for the relevant Rights Shares to the transferee(s) and the acceptance by the transferee(s) of such rights.

The Company reserves the right to refuse to register any transfer in favour of any person in respect of which the Company believes such transfer may violate applicable legal or regulatory requirements.

The PAL contains further information regarding the procedures to be followed for acceptance and/or transfer of the whole or part of the provisional allotment of the Rights Shares by the Qualifying Shareholders. All cheques or cashier's orders accompanying completed PALs will be presented for payment immediately following receipt and all interest earned on such monies (if any) will be retained for the benefit of the Company. Completion and return of the PAL with a cheque or a cashier's order will constitute a warranty by such person that the cheque or the cashier's order will be honoured on first presentation. Without prejudice to the other rights of the Company in respect thereof, the Company reserves the right to reject any PAL in respect of which the cheque or cashier's order is dishonoured on first presentation, and in that event the provisional allotment and all rights thereunder will be deemed to have been declined and will be cancelled. No receipt will be given in respect of any application monies received.

LETTER FROM THE BOARD

If the conditions of the Rights Issue as set out in the section headed “Conditions of the Rights Issue” are not fulfilled by the Latest Time for Termination, the Rights Issue will not proceed. Under such circumstances, the monies received in respect of acceptances of the Rights Shares will be returned to the Qualifying Shareholders or such other persons to whom the Rights Shares in their nil-paid form have been validly transferred or, in the case of joint applicants, to the first-named person without interest, by means of cheques despatched by ordinary post at the risk of such Qualifying Shareholders to their registered addresses by the Registrar on or before Tuesday, 30 December 2025.

No receipt will be issued in respect of any application monies received.

Beneficial owners’ instructions to their Intermediary

For beneficial owners whose Shares are deposited in CCASS and registered in the name of HKSCC Nominees Limited, if they wish to subscribe for the Rights Shares provisionally allotted to them, or sell their nil-paid Rights Shares or “split” their nil-paid Rights Shares by accepting part of their provisional allotment and selling/transferring the remaining part, they should contact their Intermediary and provide their Intermediary with instructions or make arrangements with their Intermediary in relation to the acceptance, transfer and/or “splitting” of the rights to subscribe for the Rights Shares which have been provisionally allotted to them in respect of the Shares in which they are beneficially interested. Such instructions and the relevant arrangements should be given or made in advance of the relevant dates stated in the section headed “Expected Timetable” in this prospectus and otherwise in accordance with the requirements of their Intermediary in order to allow their Intermediary sufficient time to ensure that their instructions are given effect. The procedures for acceptance, transfer and/or “splitting” in these cases shall be in accordance with the General Rules of HKSCC, HKSCC Operational Procedures and any other applicable requirements of CCASS.

Basis of provisional allotments

The basis of the provisional allotment shall be three (3) Rights Shares (in nil-paid form) for every two (2) existing Shares held by the Shareholders as at the close of business on the Record Date at the Subscription Price payable in full on acceptance and otherwise on the terms and subject to the conditions set out in the Prospectus Documents.

LETTER FROM THE BOARD

Subscription Price

The Subscription Price is HK\$0.13 per Rights Share, payable in full by a Qualifying Shareholder upon acceptance of the relevant provisional allotment of the Rights Shares and, where applicable, when a transferee of nil-paid Rights Shares applies for the Rights Shares. The Subscription Price represents:

- (i) a discount of approximately 11.56% to the closing price of HK\$0.147 per Share as quoted on the Stock Exchange on the Latest Practicable Date;
- (ii) a discount of approximately 29.73% to the closing price of HK\$0.1850 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (iii) a discount of approximately 29.27% to the average closing price of approximately HK\$0.1838 per Share for the last five trading days as quoted on the Stock Exchange before the Last Trading Day;
- (iv) a discount of approximately 28.81% to the average closing price of approximately HK\$0.1826 per Share for the last ten trading days as quoted on the Stock Exchange before the Last Trading Day;
- (v) a discount of approximately 14.47% to the theoretical ex-rights price of approximately HK\$0.1520 per Share, based on the closing price of HK\$0.1850 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (vi) theoretical dilution effect (as defined under Rule 7.27B of the Listing Rules) represented by a discount of approximately 17.84%, based on the theoretical diluted price of approximately HK\$0.1520 per Share to the benchmarked price (as defined under Rule 7.27B of the Listing Rules, taking into account the closing price on the Last Trading Day of HK\$0.1850 per Share and the average of the closing prices of the Shares as quoted on the Stock Exchange for the five previous consecutive trading days prior to the Last Trading Day of approximately HK\$0.1838 per Share) of approximately HK\$0.1850 per Share; and
- (vii) a discount of approximately 88.13% of the consolidated net asset value per existing Share of approximately HK\$1.096 (based on the latest published consolidated net asset value of the Company of RMB176,023,000 (equivalent to HK\$191,865,070) as at 30 June 2025).

The estimated net price per Rights Share (i.e. Subscription Price less cost and expenses incurred in the Rights Issue) upon full acceptance of the provisional allotment of the Rights Shares will be approximately HK\$0.1216 (assuming no change in the number of Shares in issue on or before the Record Date).

LETTER FROM THE BOARD

The Subscription Price was determined by the Company with reference to, among others, (i) the market price of the Shares under the prevailing market conditions; (ii) the current business performance and financial position of the Group; (iii) the reasons as discussed in the paragraph headed “REASONS FOR AND BENEFITS OF THE RIGHTS ISSUE AND USE OF PROCEEDS” below in this prospectus.

The Directors (excluding the members of the Independent Board Committee, whose opinion will be provided after taking into account the advice of the Independent Financial Adviser) consider that, despite any potential dilution impact of the proposed Rights Issue on the shareholding interests of the Shareholders, the terms of the Rights Issue, including the Subscription Price, are fair and reasonable and in the interests of the Company and the Shareholders as a whole, after taking into account that (i) the Qualifying Shareholders who do not wish to take up their provisional entitlements under the Rights Issue can sell the nil-paid rights in the market; (ii) the Rights Issue allows the Qualifying Shareholders to subscribe for their pro-rata Rights Shares for the purpose of maintaining their respective existing shareholding interests in the Company at a relatively low price as compared to the historical market price of the Shares and discount to the recent closing prices of the Shares; and (iii) the proceeds from the Rights Issue can fulfil the funding needs of the Group.

Status of Rights Shares

The Rights Shares (when allotted, issued and fully-paid) will rank *pari passu* in all respects with the Shares then in issue. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions which may be declared, made or paid, the record dates of which are on or after the date of allotment and issue of the fully-paid Rights Shares.

Stamp duty and other applicable fees and charges

Dealings in the Rights Shares (in both nil-paid and fully-paid forms) will be subject to payment of stamp duty, Stock Exchange trading fee, SFC transaction levy, and any other applicable fees and charges in Hong Kong.

Share certificates and refund cheques for the Rights Issue

Subject to the fulfilment of the conditions of the Rights Issue as set out in the paragraph headed “THE UNDERWRITING AGREEMENT – Conditions of the Rights Issue” in this prospectus, share certificates for all fully-paid Rights Shares are expected to be posted on or around Tuesday, 30 December 2025 by ordinary post to the allottees, at their own risk, to their registered addresses. If the Rights Issue does not become unconditional, refund cheques will be posted on or around Wednesday, 14 January 2026 by ordinary post to the respective Shareholders, at their own risk, to their registered addresses.

LETTER FROM THE BOARD

Odd lot arrangements

In order to facilitate the trading of odd lots (if any) of the Shares, the Company has appointed the Placing Agent to stand in the market to match the purchase and sale of odd lots of the Shares at the relevant market price, on a best effort basis. Shareholders of odd lots of the Shares who wish to take advantage of this facility either to dispose of their odd lots of the Shares or to top up to a full board lot may contact their brokers, Ms. Angie Yeung of Astrum Capital Management Limited at Room 2704, Tower 1, Admiralty Centre, 18 Harcourt Road, Admiralty, Hong Kong (telephone number: (852) 3665 8160) during office hours i.e. 9:00 a.m. to 12:00 noon and 1:00 p.m. to 4:00 p.m.) for the period from Wednesday, 31 December 2025 to Wednesday, 21 January 2026 (both days inclusive). Shareholders should note that matching of the sale and purchase of odd lots of the Shares is not guaranteed. Any Shareholder who is in any doubt about the odd lot arrangement is recommended to consult his/her/its own professional advisers.

Fractions of Rights Shares

The Company will not provisionally allot fractions of Rights Shares in nil-paid form to the Qualifying Shareholders and no entitlements of the Non-Qualifying Shareholders to the Rights Shares shall be issued to the Non-Qualifying Shareholders. All fractions of Rights Shares will be aggregated (and rounded down to the nearest whole number of a Share) and all nil-paid Rights Shares arising from such aggregation will be sold in the market for the benefit of the Company if a premium (net of expenses) can be achieved.

Taxation

Shareholders are advised to consult their professional advisers if they are in doubt as to the taxation implications of the receipt, purchase, holding, exercising, disposing of or dealing in, the nil-paid Rights Shares or the fully-paid Rights Shares and, regarding Overseas Shareholders, their receipt of the net proceeds, if any, from sales of the nil-paid Rights Shares on their behalf.

Application for listing of the Rights Shares

The Company has applied to the Listing Committee for the listing of, and permission to deal in, the Rights Shares, in both their nil-paid and fully-paid forms. The nil-paid Rights Shares are expected to be traded in same board lot size as the fully-paid Rights Shares, i.e., 10,000 Shares in one board lot. No part of the securities of the Company in issue or for which listing or permission to deal is being or is proposed to be sought is listed or dealt in on any stock exchange other than the Stock Exchange.

Dealing in the Rights Shares in both their nil-paid and fully-paid forms will be in the board lots of 10,000 Rights Shares.

LETTER FROM THE BOARD

Subject to the granting of the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the respective commencement dates of dealings in the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange or such other dates as determined by HKSCC.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their stockbroker or other professional adviser for details of those settlement arrangements and how such arrangements will affect their rights and interests.

Procedures in respect of the Unsubscribed Rights Shares and the Compensatory Arrangements

According to Rule 7.21(1)(b) of the Listing Rules, the Company will make the Compensatory Arrangements to dispose of the Unsubscribed Rights Shares, comprising those Rights Shares that are not subscribed by the Qualifying Shareholders and the NQS Rights Shares that are not successfully sold by the Company as described in the paragraph headed “Arrangements for the NQS Rights Shares” in this prospectus, by offering these Unsubscribed Rights Shares to independent placees, who and whose ultimate beneficial owners(s) shall be Independent Third Party(ies), for the benefit of the relevant No Action Shareholders. There will be no excess application arrangements in relation to the Rights Issue.

The Company appointed the Placing Agent to place the Unsubscribed Rights Shares after the Latest Time for Acceptance to independent placees. Any premium over, the aggregate amount of (i) the Subscription Price for those Rights Shares; and (ii) the expenses of the Placing Agent (including any other related expenses/fees), that is realised from the Placing (the “**Net Gain**”) will be paid to the No Action Shareholders on a pro-rata basis. The Placing Agent will on a best effort basis, procure, by not later than 4:00 p.m. on Thursday, 18 December 2025, acquirers for all (or as many as possible) of those Unsubscribed Rights Shares if a premium over the Subscription Price and the expenses of procuring such acquirers (including any related commissions and any other related expenses/fees) can be obtained. Any Untaken Shares will be taken up by the Underwriter pursuant to the terms of the Underwriting Agreement.

LETTER FROM THE BOARD

Net Gain (if any) will be paid (without interest) on pro-rata basis (on the basis of all Unsubscribed Rights Shares) to the No Action Shareholders (but rounded down to the nearest cent). It is proposed that Net Gain to any of the No Action Shareholder(s) of HK\$100 or more will be paid to them in Hong Kong Dollars only and the Company will retain individual amounts of less than HK\$100 for its own benefit. Shareholders are reminded that Net Gain may or may not be realised, and accordingly the No Action Shareholders may or may not receive any Net Gain.

THE PLACING AGREEMENT

On Wednesday, 10 September 2025 (after trading hours), the Company and the Placing Agent entered into the Placing Agreement, pursuant to which the Placing Agent has conditionally agreed to, on a best effort basis, procure placee(s), who and whose ultimate beneficial owner(s) are Independent Third Party(ies), to subscribe for the Unsubscribed Rights Shares. If all the Rights Shares are already fully taken up in the Rights Issue through the PAL(s), the Placing will not proceed. Further details of the Placing Agreement are set out below:

Date:	10 September 2025 (after trading hours)
Placing agent:	<p>Astrum Capital Management Limited. The Placing Agent was appointed as the Placing Agent to procure, on a best effort basis, placees to subscribe for the Unsubscribed Rights Shares during the Placing Period.</p> <p>The Placing Agent confirmed that it and its ultimate beneficial owners (i) are not Shareholder(s); and (ii) are Independent Third Parties.</p>
Placing commission:	The Company shall pay the Placing Agent a placing commission equivalent to 1.5% of the amount which is equal to the placing price multiplied by the total number of the Unsubscribed Rights Shares which are successfully placed by the Placing Agent.

LETTER FROM THE BOARD

Placing price of the Unsubscribed Rights Shares:

The placing price of the Unsubscribed Rights Shares shall be not less than the Subscription Price.

The final price will be determined based on the demand and market conditions of the Unsubscribed Rights Shares during the process of placement.

Placees:

The Placing Agent undertakes to procure that the Unsubscribed Rights Shares shall only be placed to individuals, corporate, institutional investor(s) or other investor(s), who and whose ultimate beneficial owner(s) shall be Independent Third Party(ies) and are not acting in concert with any of the connected persons of the Company and their respective associates.

The Placing Agent undertakes (i) to make all reasonable enquiries to ensure that the Placee(s) and their respective ultimate beneficial owners (if applicable) will be Independent Third Parties; and (ii) that it will ensure the Placing will not, upon its completion, result in the Company being unable to comply with the Public Float Requirement.

Ranking of Unsubscribed Rights Shares:

The Unsubscribed Rights Shares (when placed, allotted, issued and fully paid) shall rank *pari passu* in all respects among themselves and with the Shares then in issue.

LETTER FROM THE BOARD

Conditions of the Placing
Agreement:

The Placing is subject to and conditional upon (i) the Listing Committee of the Stock Exchange having granted the listing of, and permission to deal in, the Rights Shares; (ii) the Rights Issue having become unconditional; (iii) none of the representations, warranties or undertakings contained in the Placing Agreement being or having become untrue, inaccurate or misleading in any material respect at any time before the completion, and no fact or circumstance having arisen and nothing having been done or omitted to be done which would render any of such undertakings, representations or warranties untrue or inaccurate in any material respect if it was repeated as at the time of completion; (iv) all necessary consents and approvals to be obtained on the part of each of the Placing Agent and the Company in respect of the Placing Agreement and the transactions contemplated thereunder having been obtained; and (v) the Placing Agreement not having been terminated in accordance with the provisions thereof.

The Placing Agent may at its absolute discretion waive condition (iii) above by notice in writing to the Company. All of the other conditions are non-waivable.

If the above conditions are not fulfilled or waived by the Latest Time for Termination or become incapable of being fulfilled, the Placing will lapse and all rights, obligations and liabilities of the Company and the Placing Agent in relation to the Placing shall cease and determine, save for any accrued rights or obligations under the Placing Agreement or antecedent breaches thereof.

Placing Period:

The period from Tuesday, 16 December 2025 and ending at 4:00 p.m. on Thursday, 18 December 2025, or such other dates as the Company may announce, being the period during which the Placing Agent will seek to effect the Compensatory Arrangements.

LETTER FROM THE BOARD

Rescission of the Placing Agreement:

The Placing Agent may terminate the Placing Agreement at any time prior to the Latest Time for Termination by mutual written agreement between the Placing Agent and the Company if significant adverse changes in national or international financial, political, or economic conditions, taxation, or exchange controls materially prejudice the Placing, or if new laws, regulations, or events adversely impact the Group's business, financial position, or prospects. Termination is also permitted if the Placing Agent discovers a material breach of the Company's representations and warranties, an event rendering them materially untrue, or a material adverse change in the Company's financial position, or if a moratorium, suspension, or restriction on Stock Exchange trading that materially affects the Placing.

The Company shall use its best endeavours to procure the fulfillment of the conditions precedent to the Placing Agreement by the Latest Time for Termination. If any of the conditions precedent to the Placing Agreement have not been fulfilled by the Latest Time for Termination or become incapable of being fulfilled (subject to the Placing Agent not exercising its rights to waive or extend the time for fulfillment of such conditions), then the Placing will lapse and all rights, obligations and liabilities of the Company and the Placing Agent in relation to the Placing shall cease and determine, save in respect of any accrued rights or obligations under the Placing Agreement or antecedent breach thereof.

The engagement between the Company and the Placing Agent in respect of the Placing Shares (including the commission and expenses payable) was determined after arm's length negotiation between the Placing Agent and the Company and is on normal commercial terms with reference the existing financial position of the Group, the size of the Rights Issue, and the current and expected market conditions. The Board considers that the terms of Placing Agreement in respect of the Placing Shares (including the commission and expenses payable) are on normal commercial terms.

LETTER FROM THE BOARD

As explained above, the Unsubscribed Rights Shares will be placed by the Placing Agent to Independent Third Parties on a best effort basis for the benefit of the relevant No Action Shareholders. If all or any of the Unsubscribed Rights Shares are successfully placed, any premium over the Subscription Price and the expenses of the Placing Agent (including any other related expenses/fees) be distributed to the relevant No Action Shareholders on a pro-rata basis.

The Board considered that the Compensatory Arrangements are fair and reasonable and provide adequate safeguard to protect the interests of the Company's minority Shareholders since the Compensatory Arrangements would provide (i) a distribution channel of the Placing Shares to the Company; (ii) an additional channel of participation in the Rights Issue for the Qualifying Shareholders and the Non-Qualifying Shareholders; and (iii) a compensatory mechanism for the No Action Shareholders.

THE UNDERWRITING AGREEMENT

On Wednesday, 10 September 2025 (after trading hours), the Company entered into the Underwriting Agreement with the Underwriter, pursuant to which the Underwriter has conditionally agreed to fully underwrite the Untaken Share up to 262,672,656 Rights Shares (assuming no change in the number of Shares in issue on or before the Record Date) subject to the terms and conditions set out in the Underwriting Agreement.

LETTER FROM THE BOARD

REASONS FOR AND BENEFITS OF THE RIGHTS ISSUE AND USE OF PROCEEDS

The Group is principally engaged in the manufacture and sale of non-woven fabric related products used in automotive interior decoration parts and other parts.

Reference is made to the announcement of the Company dated 26 June 2025 in relation to the Company entered into a tenancy agreement for leasing the premises in Chongqing, the PRC for setting up new production lines. A subsidiary, namely 怡星(重慶)汽車內飾有限公司, with registered share capital of RMB40.0 million was set up on 4 July 2025. The Company's principal products are different nonwoven fabrics, which are mainly made of artificial and synthetic fibers. Fabrics of different colours can be formed to suit different customers' requirements through the mixture of fibers of various colours. The fibers are then slackened and carded before being needle-punched together to form fabrics of a plain cloth-like texture, i.e. greige (坯布). For some products which require more than one layer of texture, the greige will be joined with the other layer by further needle-punching. For its production process, the Company would install five production lines, which mainly composed (i) napping machines (起絨機) used to nap on the surface of greige, (ii) needle punching machine (針刺機) used to perform needle punching process to form fabrics of a plain cloth-like texture, (iii) heat setting stenter finishing machines (乾燥定型機) used to fabrics drying and tentering to increase the hardness of the end-products and (iv) automatic casting machines (自動流涎機) used to coating the products with glue (**"Installation of Production Lines"**). It is expected the annual production amount would reach approximately 6 million square meter of nonwoven fabric for production of nonwoven fabric related products and automotive components, such as trunk mat, parcel tray carpet, front wall and fire isolation materials, which are of different characteristics and are to be applied for different usages in passenger vehicles. The Investment cost in the Installation of Production Lines is approximately RMB28.0 million (equivalent to approximately HK\$30.5 million).

The Group's manufacturing factories are located in the PRC (Cangzhou, Changchun and Chengdu). After considering, including but not limited to, the cash and cash equivalent of the Group as at 30 June 2025 amounted to RMB24.52 million has been reserved for funding the current business operations of the Group and the requirement of purchase of property, plant and machinery for the new production lines of the new factory in Chongqing, the PRC, the Board is in a view that the Company has an imminent funding need to conduct the Rights Issue.

Assuming no change in the number of Shares in issue on or before the Record Date, it is expected that the gross proceeds and net proceeds from the Rights Issue will be approximately HK\$34.1 million and HK\$32.0 million, respectively. The Company intends to apply the net proceeds from the Rights Issue as follows:

- (i) approximately 95.31% of the net proceeds or approximately HK\$30.5 million (equivalent to approximately RMB28.0 million) for purchase of property, plant and machinery for the production lines in the PRC; and

LETTER FROM THE BOARD

- (ii) the remaining of approximately 4.69% of the net proceeds or approximately HK\$1.5 million for general working capital of the Group.

Apart from the Rights Issue, the Company had considered other fund-raising alternatives available to the Company such as debt financing and other equity financing such as placing or subscription of new Shares.

The Board considers that to finance the funding needs of the Company in the form of equity is a better alternative than debt. As debt fundraising such as bank borrowings always carry high interest costs and create pressure to the liquidity of the Company. As at 30 September 2025, the Company already has bank loans of approximately RMB35.00 million, and the Group's investment property and leasehold land in the PRC were already pledged to banks for such borrowings. Furthermore, the Company does not have other material tangible assets which may be satisfactory to the banks to be served as collaterals. In respect of equity financing, the Directors are of the view that placing or subscription of new Shares would dilute the shareholding of the existing Shareholders without giving the opportunity to the existing Shareholders to participate. On the contrary, the Rights Issue is pre-emptive in nature, as it allows Qualifying Shareholders to participate in the future development of the Company and at the same time offer more flexibility to the Qualifying Shareholders to choose whether to maintain their proportional shareholdings in the Company through participation in the Rights Issue. In addition, based on the closing price of HK\$0.185 per Share as quoted on the Stock Exchange on the Last Trading Day, it is expected the proceeds from any proposed placing of shares under general mandate will not be sufficient for financing the Installation of Production Lines.

Having considered the above alternatives, the Directors consider that fund raising through the Rights Issue is in the best interests of the Company and the Shareholders as a whole. The Rights Issue will enable the Company to strengthen its capital base and to enhance its financial position without increasing its debt or finance costs which also allowed the Qualifying Shareholders to maintain their proportional shareholdings in the Company. However, those Qualifying Shareholders who do not take up the Rights Shares to which they are entitled and Non-Qualifying Shareholders (if any) should note that their shareholdings in the Company will be diluted.

LETTER FROM THE BOARD

Timing

Assuming the completion of the Rights Issue, which are expected to take place by the end of December 2025, the net proceeds will amount to approximately HK\$32.0 million. The Group would purchase property, plant and machinery for the installation of production lines from the first quarter of 2026. After the completion of plant and machinery installation, it is expected the new production lines will be used in the second quarter of 2026. The indicative timeline for the cash deployment is set out below:

	Year		2027 1st half	Total	Approximate percentage (%)
	2026 1st half	2026 2nd half			
	HK\$' million	HK\$' million	HK\$' million	HK\$' million	
(i) Purchase of property, plant and machinery for the production lines	21.8	4.4	4.3	30.5	95.31
(ii) General working capital	1.0	0.5	–	1.5	4.69
	<u>22.8</u>	<u>4.9</u>	<u>4.3</u>	<u>32.0</u>	<u>100.00</u>

FUND RAISING ACTIVITIES IN THE PAST TWELVE MONTHS

The Company had not conducted any equity fund raising activities in the past twelve months immediately preceding the date of this prospectus. As at the Latest Practicable Date, the Company has no intention or plan to conduct any other equity fund raising activities in the next 12 months upon completion of the Rights Issue. However, if there shall arise any change of the Group's current circumstances and existing business plans and if the net proceeds from the Rights Issue may not satisfy such upcoming financing needs, the Board does not rule out the possibility that the Company may conduct further equity fund raising activities to support such future developments of the Group. The Company will make further announcement(s) in this regard in accordance with the Listing Rules as and when appropriate.

This standard requires that the reporting accountant plan and perform procedures to obtain reasonable assurance about whether the directors have compiled the unaudited pro forma financial information in accordance with paragraph 4.29 of the Listing Rules and with reference to AG 7 issued by the HKICPA.

For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information used in compiling the unaudited pro forma financial information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the unaudited pro forma financial information.

The purpose of pro forma financial information included in an investment circular is solely to illustrate the impact of a significant event or transaction on unadjusted financial information of the Group as if the Rights Issue had occurred or the transaction had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the Rights Issue at 30 June 2025 would have been as presented.

A reasonable assurance engagement to report on whether the unaudited pro forma financial information has been properly compiled on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the directors in the compilation of the unaudited pro forma financial information provide a reasonable basis for presenting the significant effects directly attributable to the Rights Issue, and to obtain sufficient appropriate evidence about whether:

- The unaudited related pro forma adjustments give appropriate effect to those criteria; and
- The unaudited pro forma financial information reflects the proper application of those adjustments to the unadjusted financial information.

The procedures selected depend on the reporting accountant's judgment, having regard to the reporting accountant's understanding of the nature of the Group, the Rights Issue in respect of which the unaudited pro forma financial information has been compiled, and other relevant engagement circumstances.

The engagement also involves evaluating the overall presentation of the unaudited pro forma financial information.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion:

- (a) the unaudited pro forma financial information has been properly compiled on the basis stated;
- (b) such basis is consistent with the accounting policies of the Group; and
- (c) the adjustments are appropriate for the purposes of the unaudited pro forma financial information as disclosed pursuant to paragraph 4.29(1) of the Listing Rules.

Yours faithfully,
Infinity CPA Limited
