BRIEF DESCRIPTION

In October 2025, changes in surrounding road network of the GS Superhighway, the GZ West Superhighway and the Coastal Expressway (Shenzhen Section) brought different impact on traffic volume. As a result, the year-on-year changes in toll revenue of the three expressways varied.

For basic information of each expressway project, investors may visit the Company's website at http://www.sihbay.com under the section of "Business Overview".

CAUTION STATEMENT

Operation statistics contained herein are compiled from the Group's unaudited internal records. Some of the operation statistics are recorded with estimates at the time of monthly settlement and disclosure. As certain procedures are required to perform in data sorting, confirmation and settlement under the circumstances of integrated toll fee collection system, there may be discrepancies between such operation statistics and those disclosed in periodic reports. In addition, current monthly provisional statistics is adjusted for the difference between the provisional and the actual settlement statistics of the previous month, which may distort the year-on-year comparison. While due care is taken in the disclosure of the statistics by the Company, such statistics serves as provisional statistics for investors' reference only. Investors are advised to exercise caution when using such statistics and not to unduly rely on such statistics.
