VOLUNTARY ANNOUNCEMENT NOVEMBER 2025 UPDATE IN RELATION TO THE DISCLAIMER OF OPINION SET OUT IN THE ANNUAL REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

References are made to (i) the announcements of JY Grandmark Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") dated 30 June 2025, 30 September 2025 and 3 November 2025 respectively (the "**Announcements**"); and (ii) the annual report (the "**Annual Report 2024**") of the Company for the year ended 31 December 2024. Unless defined otherwise, capitalised terms used in this announcement shall have the same meanings as those defined in the Announcements and the Annual Report 2024.

As set out in the Annual Report 2024, the Auditors has issued the Disclaimer Opinion to the consolidated financial statements of the Group for the year ended 31 December 2024 due to multiple uncertainties that cast significant doubt on the Group's ability to continue as a going concern. The Board would like to provide voluntary updates in relation to the progress in resolving the issues underlying the Disclaimer Opinion.

PROGRESS OF ADDRESSING THE DISCLAIMER OPINION

During the month ended 30 November 2025, the following steps and measures have been implemented to mitigate the liquidity pressure and to improve the financial position of the Group:

1. Negotiations Regarding Renewal and Extension of Repayment

As at 30 November 2025, the Group had total bank and other borrowings of approximately RMB3,075 million, out of which:

(i) Borrowings of an aggregate principal amount of approximately RMB1,574 million were considered to be in default (the "**Default Borrowings**"), which would be immediately repayable if requested by the relevant lenders.

(ii) As a result of the Defaulted Borrowings, borrowings of an aggregate principal amount of approximately RMB131 million were considered as cross-default (the "**Cross-default**"), which would be immediately repayable if requested by the relevant lenders.

Up to 30 November 2025, no lenders (other than the Zhaoqing Lender) have exercised their rights to demand immediate repayment of these borrowings.

The Group is actively negotiating with the lenders of the Defaulted Borrowings for renewal and extension for repayments of the Defaulted Borrowings. Furthermore, the management of the Company has been working closely with its advisors and engaging in ongoing discussions with its creditors to formulate a debt restructuring plan.

2. Adjust Pre-sales and Sales Activities

The Group continued to actively adjust pre-sales and sales activities to better respond to market needs, and made efforts to achieve the latest budgeted pre-sales and sales volumes and amounts. The Group also continued to implement plans and measures to accelerate the pre-sales and sales of its properties under development and completed properties held for sale, and to speed up the collection of outstanding sales proceeds.

During the eleven months ended 30 November 2025, the aggregated contracted sales of the Group, including those of the Group's joint venture and associates, was approximately RMB257 million.

3. Continue to Seek Alternative Financing

The Group continued to seek for other alternative financing and borrowings to finance the settlement of its existing financial obligations and future operating expenditure.

The Group would pay attention to changes in the financing market and policies and promote or add new financing as appropriate; regularly take stock of and update the Group's asset position to ensure clear and complete financing resources. The Group would also seek assistance from the government to obtain diversified financing and deconsolidation methods.
