VOLUNTARY ANNOUNCEMENT
LATEST DEVELOPMENTS ON SANYA HAICHANG FANTASY TOWN

This announcement is made by Haichang Ocean Park Holdings Ltd. (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis, the purpose of which is to keep the shareholders and potential investors of the Company informed of the latest developments of the theme parks under the Group.

The Company is pleased to announce that, Sanya Haichang Fantasy Town ("**Sanya Park**") has cooperated with Sanya Manpu Cultural Tourism Development Co., Ltd.* (三亞漫葡文旅發展有限公司) (the "**Partner**") to introduce the project of "Discovering Sanya" — An Immersive Night Tour Tribe (the "**Performance Show**"), which was officially opened on 6 December.

The Performance Show is located on the west side of Sanya Park. It will be operated under the model centering on "Li ethnic culture + interaction + emotion" to create a new night tour scenario featuring "high-concentration interaction", and provide tourists with a 5-hour immersive night tour feast. There will be over 50 consecutive performance shows throughout the day, with more than 170 original NPCs accompanying and interacting with tourists throughout the entire journey.

The board of directors is of the view that the Partner has successfully created the "Discovering Helan" immersive performance town in Ningxia. The introduction of this Performance Show will significantly enhance the comprehensive competitiveness of Sanya Park. It will bring immediate multiplier effects to Sanya Park from three dimensions, i.e. visitor flow, brand and product innovation. With Li ethnic culture at its core, the Performance Show provides tourists with an immersive, interactive and consumable in-depth night tour experience, extending their duration of stay and activating the potential of night consumption. Meanwhile, the Performance Show fills the gap of local cultural night performances in Sanya. Together with the Haichang IP, it forms a dual-core drive of "ocean + folk customs", enhancing brand differentiation and topic dissemination, and helping Sanya Park become a new landmark for night tours for the international tourism and consumption center of Hainan.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
