To the Shareholders

Dear Sir or Madam,

PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION AND PROPOSED ABOLISHMENT OF THE SUPERVISORY COMMITTEE AND NOTICE OF EGM

1. INTRODUCTION

Reference is made to the announcement of the Company dated 30 October 2025 in relation to, among others, (i) the proposed amendments to the Articles of Association and the proposed abolishment of the Supervisory Committee; and (ii) the notice convening the EGM.

The purpose of this circular is to give you the Notice of EGM and provide you with the information reasonably necessary to enable you to make informed decisions on whether to vote for or against the proposed resolution(s) at the EGM.

2. PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION AND PROPOSED ABOLISHMENT OF THE SUPERVISORY COMMITTEE

On 9 December 2025, the Company convened the twenty-nineth meeting of the fifth session of the Board, at which the proposal in relation to the proposed amendments to the Articles of Association and Rules of Procedures and the proposed abolishment of the Supervisory Committee have been approved by the Board.

On 29 December 2023, the amendments to the Company Law of the People's Republic of China (《中華人民共和國公司法》) (the "**PRC Company Law**") was adopted, which came into effect on 1 July 2024. The amendments introduced by the new PRC Company Law to the then PRC Company Law include but not limited to reforming the corporate capital system and organizational structure, enhancement in protection for minority shareholders' rights and interests, strengthening responsibilities for controlling shareholders, directors and senior management as well as permitting the replacement of supervisory committee with audit committee. In order to ensure the listed companies can effectively comply with and implement the new requirements of the PRC Company Law, the CSRC issued a number of important documents on 28 March 2025, including the revised Guidelines on the Articles of Association of Listed Companies (《上市公司章程指引》) and the Rules for Shareholders' Meetings of Listed Companies (《上市公司股東會規則》).

The current Listing Rules contain provisions in respect of the expansion and further expansion of the paperless listing regime, which require listed issuers to disseminate corporate communications by electronic means and to ensure that their articles of association enable them to hold general meetings, at which members can attend virtually with the use of technology and can cast votes by electronic means.

In light of the above, the Board proposed to make certain amendments to its existing Articles of Association of the Company, mainly including but not limited to (1) the abolishment of the Supervisory Committee and the exercise of its functions and powers by the Audit Committee as stipulated by the PRC Company Law; (2) adjustments to the functions and powers of general meeting and the Board; (3) enhancing protection for Shareholders' rights; (4) consequential amendments to the provisions of the Articles of Association in accordance with changes in applicable laws and regulations; and (5) other internal affairs and miscellaneous changes (the "**Proposed Amendments to the Articles of Association**").

In addition, the Board also proposed to make corresponding amendments to the Rules of Procedures of the General Meetings and the Rules of Procedures of the Board Meetings which are appendices to the Articles of Association to align with the Articles of Association as amended (together with the Proposed Amendments to the Articles of Association, the "**Proposed Amendments to the Articles of Association and Rules of Procedures**").

Notwithstanding the Proposed Amendments to the Articles of Association and Rules of Procedures, the contents of other chapters, articles and appendices of the Articles of Association shall remain unchanged. The Proposed Amendments to the Articles of Association and Rules of Procedures will take effect subject to the approval at the EGM by way of special resolution. After the Proposed Amendments to the Articles of Association and Rules of Procedures take effect, the Supervisory Committee and the Rules of Procedures of the Supervisory Committee will be abolished and the positions of supervisors of the Company will be automatically removed.

Please refer to Appendix I to this circular for the details of the Proposed Amendments to the Articles of Association and Rules of Procedures. The Proposed Amendments to the Articles of Association and Rules of Procedures is prepared in Chinese without an official English version. Any English translation is for reference only. If there is any inconsistency, the Chinese version shall prevail.

The Proposed Amendments to the Articles of Association and Rules of Procedures do not involve the revision of the provisions under the existing Articles of Association regarding the rights of class shareholders. The legal advisers to the Company as to the laws of Hong Kong and the laws of the PRC have respectively confirmed that the Proposed Amendments to the Articles of Association comply with requirements of the Listing Rules and applicable laws of the PRC. The Company confirms that there is nothing unusual about the Proposed Amendments to the Articles of Association for a company incorporated in the PRC and listed on the Hong Kong Stock Exchange.
