# INSIDE INFORMATION
# ANNOUNCEMENT IN RELATION TO COLLECTION OF ACCOUNTS RECEIVABLE

This announcement is made by Tianjin Capital Environmental Protection Group Company Limited (the "**Company**") pursuant to the Inside Information Provisions (as defined in the Rules (the "**Listing Rules**") Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**")) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) and Rule 13.09 and Rule 13.10B of the Listing Rules.

The Company attaches great importance to accounts receivable recovery efforts, established a dedicated working mechanism to continuously drive down accounts receivables and actively communicating with local governments to facilitate payment collection.

To support the stable and healthy development of the Company and effectively resolve the issue of historical accounts receivable arrears, Tianjin Water Bureau*(天津市水務局), in addition to disbursing this year's sewage treatment service fees, recently made a one-time payment of RMB1.989 billion to the Company to settle the historical accounts receivable issue of the Company.

The recovery of these existing accounts receivables will improve the Company's cash flow position and increase the revenue of the Company, positively impacting the Company's operating performance and financial position for 2025. Specific details shall be subject to the Company's periodic reports.

Moving forward, the Company will continue to advance efforts related to the recovery of accounts receivable and fulfill the information disclosure obligations in accordance with the law as progress is made. Investors are hereby reminded of the investment risks.
