# VOLUNTARY ANNOUNCEMENT
# INNOVATIVE TECHNOLOGICAL APPLICATIONS HONORED WITH VARIOUS AWARDS

The board of directors (the "**Director(s)**") of Novautek Technologies Group Limited (the "**Company**", together with its subsidiaries, the "**Group**") hereby make this announcement on a voluntary basis to provide shareholders and potential investors of the Company with the latest update of the Group.

The Group is pleased to announce that its innovative applications of intelligent robotics have been awarded the "**Commercial Application Benchmark Award（商業應用標桿獎）**" issued by Lowspeed Automated Driving Industry Alliance（低速無人駕駛產業聯盟）and the "**Best Approach of the Innovative Initiative Award (SME) 2025（香港綠色企業大獎2025之創新倡議獎）**" issued by Green Council（環保促進會）. These two awards recognize enterprises that have achieved outstanding success in commercial implementation, scalable replication, and innovative applications. The Group has previously received several accolades in the fields of environmental protection and social care, and these latest awards further affirm its leadership in robotic innovative application and green development.

The Group's core strength of AI Robotics business lies in its ability to deploy integrated intelligent robotics solutions across diverse scenarios. Through continuous product and technological iterations, coupled with customized scenario-based development, the Group has deeply embedded intelligent robotics into a wide range of applications, establishing a rapidly replicable commercial implementation model. This model not only significantly enhances operational efficiency across industries and advances the adoption of green and sustainable practices, but also empowers industrial upgrading through technology, accelerating the societal intelligent transformation.

The recognition reflects the industry's and society's acknowledgment of the Group's achievements in technological application. Moving forward, the Group will continue to deepen the deployment of robotics technologies across diverse scenarios, leveraging innovation to drive sustainable development and create greater value for society and its stakeholders.
