CONNECTED TRANSACTION
PURCHASE OF MACHINERIES

SALE AND PURCHASE AGREEMENT

On 19 December 2025, Coke Terminals Co, a subsidiary of the Company, entered into the Sale and Purchase Agreement with Jinan Heavy Equipment Co for the purchase of four sets of portal cranes, at the consideration of RMB89,765,500 (inclusive of tax).

LISTING RULES IMPLICATIONS

Jinan Heavy Equipment Co is a subsidiary of Tianjin Port Group Co, the controlling shareholder of the Company, and is therefore a connected person of the Company. Accordingly, the Transaction constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules.

As all of the applicable percentage ratios (as defined in the Listing Rules) in respect of the Transaction are more than 0.1% but less than 5%, the Transaction is only subject to the reporting and announcement requirements, but is exempt from the circular (including independent financial advice) and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

PRINCIPAL TERMS OF THE SALE AND PURCHASE AGREEMENT

Date : 19 December 2025

Parties : (1) Purchaser: Coke Terminal Co
(2) Seller: Jinan Heavy Equipment Co

A tender by way of open bidding was made in relation to the Sale and Purchase Agreement whereby the bid evaluation committee evaluated the technical, informational, and commercial aspects of the bidding documents in accordance with the parameters stipulated in the tender documents. Upon examination, the bid submitted by Jinan Heavy Equipment Co received the highest overall score as its bidding documents satisfied all standards and substantive requirements set out in the tender documents. The bid evaluation committee had therefore recommended Jinan Heavy Equipment Co as the successful bidder.

Asset to be acquired : Four sets of portal cranes, which are supplied on a turnkey basis, including the design, manufacture, assembly, transportation, loading and unloading, installation, commissioning, inspection, trial run, on-site storage, insurance, risk management, personnel training, on-site service, warranty period and after-sales service, etc., as specified in the technical specifications section of the tender documents. The delivery period is from the effective date of the Sale and Purchase Agreement to before 30 June 2027.

Consideration : The consideration is RMB89,765,500 (inclusive of tax), which is inclusive of all costs before completion. The consideration will be payable by instalments in accordance with the progress of the delivery and installation of the portal cranes in the following manner:-

(i) upon the Sale and Purchase Agreement becoming effective, and within 28 days after receiving and verifying the overall design drawings and related calculation sheets of the portal cranes, the relevant VAT invoices and receipts submitted by the Seller, the Purchaser shall pay 30% of the consideration as advance payment to the Seller;

(ii) upon the completion of the main steel structure components (main components being the portal frame and turntable) manufacturing as stipulated in the Sale and Purchase Agreement by the Seller, and within 28 days after receiving and verifying the certificate of the completion of steel structure manufacturing, the relevant VAT invoices and receipts submitted by the Seller, the Purchaser shall pay 20% of the consideration as progress payment to the Seller;

(iii) before the shipment of the contract equipment, and within 28 days after receiving and verifying the certificate of the completion of the entire contract equipment before shipment, the relevant VAT invoices and receipts submitted by the Seller, the Purchaser shall pay 30% of the consideration as shipment payment to the Seller;

(iv) within 28 days after receiving and verifying the equipment acceptance certificate signed by both parties, the delivery list, the factory quality certificate, the relevant VAT invoices and receipts submitted by the Seller, the Purchaser shall pay 15% of the consideration as acceptance payment to the Seller; and

(v) within 28 days after receiving and verifying the Purchaser signed expiry certificate of the warranty period (which is 12 months from the date of acceptance of inspection), the effective settlement payment letter and relevant receipts submitted by the Seller, the Purchaser shall pay 5% of the consideration as settlement payment to the Seller.

Such consideration was arrived at through the above-mentioned tender process held by Coke Terminals Co in accordance with the relevant PRC laws and regulations. It is expected that the consideration will be funded by facilities from banks and own funds of the Group.

REASONS FOR AND BENEFITS OF ENTERING INTO THE SALE AND PURCHASE AGREEMENT

Purchasing the portal cranes will improve the overall operating efficiency and further enhance the cargo handling operational capacity of Coke Terminals Co, thereby reaping greater benefits for the Group.

The Directors (including the independent non-executive Directors) are of the view that the Transaction is conducted in the ordinary and usual course of business of the Group on normal commercial terms, and the terms of the Sale and Purchase Agreement are fair and reasonable and in the interests of the Company and the shareholders of the Company as a whole.

LISTING RULES IMPLICATIONS

Jinan Heavy Equipment Co is a subsidiary of Tianjin Port Group Co, the controlling shareholder of the Company, and is therefore a connected person of the Company. Accordingly, the Transaction constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules.

As all of the applicable percentage ratios (as defined in the Listing Rules) in respect of the Transaction are more than 0.1% but less than 5%, the Transaction is only subject to the reporting and announcement requirements, but is exempt from the circular (including independent financial advice) and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

None of the Directors had a material interest in the Transaction. In view of good corporate governance practices, Chu Bin, Luo Xunjie, Liu Nan and Jiang Wei, the Directors who are also directors and/or senior management of Tianjin Port Group Co, have abstained from voting in the relevant Board resolutions in relation to transactions with Tianjin Port Group Co and/or its associates.

GENERAL

The Group is principally engaged in containerised and non-containerised cargo handling services, sales and other port ancillary services at the port of Tianjin in the PRC, primarily through its subsidiaries and associated companies.

Tianjin Port Group Co is the controlling shareholder of the Company. Its principal businesses include port handling and stevedoring services, warehousing, logistics, and port area land development at the port of Tianjin in the PRC through its group companies.

Coke Terminals Co is principally engaged in non-containerised cargo handling and other port ancillary services.

Jinan Heavy Equipment Co is principally engaged in manufacturing and installation of lifting and transport equipment and large-scale handling system and equipment. It is also engaged in large scale steel structural projects and mechanical and electrical equipment installation projects.
