VOLUNTARY ANNOUNCEMENT
INCREASE IN SHAREHOLDING OF H SHARES OF THE COMPANY BY A CORNERSTONE INVESTOR

This announcement is made by Minieye Technology Co., Ltd (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis.

The board of directors of the Company (the "**Board**") has received a notice (the "**Notice**") from Horizon Together Holding Ltd. ("**Horizon Together**", being one of the Company's cornerstone investors as disclosed in the prospectus of the Company dated December 17, 2024). Based on its long-term optimism in the Company's business development, Horizon Together has recently purchased a total of 688,200 H shares of the Company in the open market.

Horizon Together is wholly owned by Horizon Robotics. Horizon Robotics is a company listed on The Stock Exchange of Hong Kong Limited (stock code: 9660) and a market-leading provider of intelligent driver assistance solutions for passenger vehicles. Its solutions integrate leading algorithms, specialized software and advanced processing hardware, providing core technological support for basic driver assistance and full-scenario driver assistance. The Company has deep collaboration with Horizon Robotics in the development of intelligent driver assistance solutions and L4 driverless logistics vehicle solutions. The Group's driver assistance domain controller products, developed based on Horizon Robotics' Journey series processing hardware, have already been mass-produced and deployed in vehicles, covering multiple leading domestic and international passenger vehicle and commercial vehicle manufacturers.

Horizon Together has informed the Board that the decision to increase its shareholding in the Company stems from the long-standing collaboration between its parent company, Horizon Robotics, and the Company. It maintains a long-term positive outlook on the Group's future business development prospects and recognizes the Company's significant value within the Horizon Robotics' ecosystem. Furthermore, both parties look forward to jointly promoting the rapid development of L4 driverless logistics vehicle business through mutual empowerment of technology and resources.

The Board believes that Horizon Together's voluntary share purchase through on-market acquisitions demonstrates its firm confidence in the Group's future prospects and long-term development.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
