PROPOSED RIGHTS ISSUE ON THE BASIS OF THREE (3) RIGHTS SHARES FOR EVERY EIGHT (8) SHARES HELD ON THE RECORD DATE ON A NON-UNDERWRITTEN BASIS

Placing Agent

Cheong Lee Securities Limited

PROPOSED RIGHTS ISSUE

The Board proposes, subject to, among other things, to conduct the Rights Issue on the basis of three (3) Rights Shares for every eight (8) Shares held on the Record Date at the Subscription Price of US$0.12 per Rights Share, to raise gross proceeds of approximately US$0.58 million before expenses (assuming no further issue or repurchase of Shares on or before the Record Date), by way of the Rights Issue of up to 4,808,700 Rights Shares to the Qualifying Shareholders. The Rights Issue is only available to the Qualifying Shareholders and will not be available to the Excluded Shareholders.

The estimated net proceeds from the Rights Issue, if fully subscribed, after deducting all necessary expenses, are estimated to be approximately US$0.55 million (assuming no further issue or repurchase of Shares on or before the Record Date). Details of the use of proceeds are set out in the section headed "Reasons for and benefits of the Rights Issue and use of proceeds" in this announcement.

Subject to the fulfilment of the conditions of the Rights Issue, there will be no excess application arrangements in relation to the Rights Issue and the Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares. There are no applicable statutory requirements regarding minimum subscription levels in respect of the Rights Issue.

THE COMPENSATORY ARRANGEMENTS AND THE PLACING AGREEMENT

Pursuant to Rule 7.21(1)(b) of the Listing Rules, the Company must make arrangements to dispose of any Unsubscribed Shares and the NQS Unsold Rights Shares not validly applied for by the No Action Shareholders by offering such Unsubscribed Shares to independent placees for the benefit of those Shareholders. On 15 January 2026 (after trading hours), the Company entered into the Placing Agreement with the Placing Agent to place the Unsubscribed Shares after the Latest Time for Acceptance to independent placees on a best effort basis. Details of the Placing Agreement are set out in the section headed "Placing Agreement" in this announcement.

WARNING OF THE RISK OF DEALINGS IN THE SHARES AND THE NIL-PAID RIGHTS SHARES

The Rights Issue is conditional upon fulfilment of the conditions set out in the paragraph headed "Conditions of the Rights Issue" under the section headed "Proposed Rights Issue" in this announcement, including, among other things, the Stock Exchange granting the listing of, and permission to deal in, the Rights Shares in both nil-paid and fully-paid forms and such listing not being withdrawn or revoked. Accordingly, the Rights Issue may or may not proceed.

The Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptance of the provisionally allotted Rights Shares.

Any Shareholders or potential investors contemplating selling or purchasing the Shares, and/or the nil-paid Rights Shares up to the date when the conditions of the Rights Issue are fulfilled will bear the risk that the Rights Issue may not become unconditional and may not proceed.

Shareholders and potential investors are reminded to exercise caution when dealing in the securities of the Company. Any party who is in any doubt about his/her/its position or any action to be taken is recommended to consult his/her/its own professional adviser(s).

CLOSURE OF REGISTER OF MEMBERS FOR RIGHTS ISSUE

The register of members of the Company will be closed from Friday, 6 February 2026 to Thursday, 12 February 2026 (both dates inclusive) for the purpose of determining entitlements to the Rights Issue. During this period, no transfer of Shares will be registered.

LISTING RULES IMPLICATIONS

The Company has not conducted any other rights issue or open offer within the 12-month period prior to the date of this announcement, the proposed Rights Issue will not increase the number of issued Shares or the market capitalisation of the Company by more than 50%, and the Rights Issue is not underwritten by a Director, chief executive or substantial Shareholder of the Company (or any of their respective close associates), therefore the Rights Issue is not conditional upon approval by the Shareholders.

The Rights Issue does not result in a theoretical dilution effect of 25% or more on its own. As such, the theoretical dilution impact of the Rights Issue is in compliance with Rule 7.27B of the Listing Rules.

GENERAL

The Company will despatch the Prospectus Documents containing, among other matters, details of the Rights Issue, to the Qualifying Shareholders on the Prospectus Posting Date. Subject to the advice of the Company's legal advisers in the relevant jurisdictions and to the extent reasonably practicable, the Company may despatch the Prospectus to the Excluded Shareholders for their information only but the Company will not send the PAL to the Excluded Shareholders.

PROPOSED RIGHTS ISSUE

The Board proposes the Rights Issue with the terms set out as follows:

Issue statistics

Basis of the Rights Issue	:	Three (3) Rights Shares for every eight (8) Shares held by the Qualifying Shareholders at the close of business on the Record Date
Subscription Price	:	US$0.12 per Rights Share

Net price per Rights Share (i.e. Subscription Price less cost and expenses incurred in the Rights Issue)	:	Approximately US$0.114 per Rights Share
Number of Shares in issue as at the date of this announcement	:	12,823,200 Shares
Number of Rights Shares to be issued pursuant to the Rights Issue	:	up to 4,808,700 Rights Shares (assuming no Shares are issued or repurchased on or before the Record Date)
Aggregate nominal value of the Rights Shares	:	up to US$1,763,190 (assuming no Shares are issued or repurchased on or before the Record Date)
Total number of Shares in issue upon completion of the Rights Issue	:	up to 17,631,900 Shares (assuming no Shares are issued or repurchased on or before the Record Date)
Gross proceeds from the Rights Issue	:	up to approximately US$0.58 million before expenses (assuming no Shares are issued or repurchased on or before the Record Date)

As at the date of this announcement, the Company had no outstanding debt securities, derivatives, options, warrants, convertible securities or other similar securities which are convertible or exchangeable into Shares.

Assuming no Shares are issued or repurchased on or before the Record Date, the 4,808,700 Rights Shares to be issued pursuant to the terms of the Rights Issue represent 37.50% of the total number of issued Shares and approximately 27.27% of the total number of issued Shares as enlarged by the issue of the Rights Shares.

Non-underwritten basis

The Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares. In the event the Rights Issue is not fully subscribed, any Unsubscribed Shares together with the NQS Unsold Rights Shares will be placed to independent placees under the Compensatory Arrangements on a best efforts basis. Any Unsubscribed Shares or NQS Unsold Rights Shares which are not placed under the Compensatory Arrangements will not be issued by the Company and the size of the Rights Issue will be reduced accordingly. There is no minimum amount to be raised under the Rights Issue.

As the Rights Issue will proceed on a non-underwritten basis, the Shareholder who applies to take up all or part of his/her/its entitlement under the PAL(s), or transferees of nil-paid Rights Shares (or either of them, whichever shall be appropriate), may unwittingly incur an obligation to make a general offer for the Shares under the Takeovers Code.

Accordingly, the Rights Issue will be made on terms that the Company will provide for the Shareholders to apply on the basis that if the Rights Shares are not fully taken up, the application of any Shareholder (except for HKSCC Nominees Limited) for his/her/its assured entitlement under the Rights Issue will be scaled down to a level which (i) does not trigger an obligation on part of the relevant Shareholder to make a general offer under the Takeovers Code in accordance with the note to Rule 7.19(5)(b) of the Listing Rules; and/or (ii) does not result in the non-compliance of the Public Float Requirement on the part of the Company.

Subscription Price

The Subscription Price of US$0.12 per Rights Share shall be payable in full when a Qualifying Shareholder accepts the relevant provisional allotment of Rights Shares or when a transferee of nil-paid Rights Shares accepts the provisional allotment of the relevant Rights Shares.

The Subscription Price represents:

(i) a discount of approximately 60% to the closing price of US$0.30 per Share as quoted on the Stock Exchange on the Last Trading Day;

(ii) a discount of approximately 60% to the average closing price per Share as quoted on the Stock Exchange for the last five consecutive trading days up to and including the Last Trading Day of approximately US$0.30;

(iii) a discount of approximately 60% to the average closing price per Share as quoted on the Stock Exchange for the last ten consecutive trading days up to and including the Last Trading Day of approximately US$0.30;

(iv) a theoretical dilution effect (as defined under Rule 7.27B of the Listing Rules) of a discount of approximately 16.33% represented by the theoretical diluted price of approximately US$0.251 to the benchmarked price of approximately US$0.30 per Share (as defined under Rule 7.27B of the Listing Rules, taking into account the closing price on the Last Trading Day of US$0.30 per Share and the average closing price of the Shares as quoted on the Stock Exchange for the five consecutive trading days immediately prior to the Last Trading Day of approximately US$0.30 per Share);

(v) a discount of approximately 52.19% to the theoretical ex-rights price of approximately US$0.251 per Share based on the closing price of US$0.30 per Share as quoted on the Stock Exchange on the Last Trading Day;

(vi) a premium of approximately 47.44% over the unaudited consolidated net asset value per share attributable to the Shareholders as at 30 June 2025 of approximately US$0.081 calculated based on the unaudited consolidated net assets of the Group attributable to the Shareholders of US$1,043,680 as set out in the interim report of the Company for six months ended 30 June 2025 and 12,823,200 Shares in issue as at the date of this announcement; and

(vii) a premium of approximately 28.47% over the audited consolidated net asset value per share attributable to the Shareholders as at the year ended 31 December 2024 of approximately US$0.093 calculated based on the audited consolidated net assets of the Group attributable to the Shareholders of US$1,197,734 as set out in the annual report of the Company for the year ended 31 December 2024 and 12,823,200 Shares in issue as at the date of this announcement.

The Rights Issue will not result in a theoretical dilution effect of 25% or more on its own. As such, the theoretical dilution impact of the Rights Issue is in compliance with Rule 7.27B of the Listing Rules.

The Subscription Price was determined taking into consideration (i) the recent market price of the Shares; (ii) the prevailing market conditions; (iii) the low trading volume of the Shares; and (iv) the amount of funds the Company intends to raise under the Rights Issue for the purposes described in the section headed "Reasons for and benefits of the Rights Issue and the use of proceeds" in this announcement. The Directors consider that the Subscription Price at a discount to the current market price of the Shares would enhance the attractiveness of the

Rights Issue, and in turn encourage the Shareholders to participate in the Rights Issue, and accordingly allow them to maintain their shareholdings in the Company and participate in the future growth and development of the Group.

The Directors consider that, in view of prevailing market conditions and factors as described above, the terms of the Rights Issue, including the Subscription Price, are on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders as a whole. The net price per Rights Share (i.e., Subscription Price less the estimated cost and expenses to be incurred in the Rights Issue) upon full acceptance of the relevant provisional allotment of Rights Shares will be approximately US$0.114 per Rights Share.

Conditions of the Rights Issue

The Rights Issue is conditional upon the fulfilment of the following conditions:

(a) the delivery to the Stock Exchange, and filing and registration with Companies Registry in Hong Kong of one copy of each of the Prospectus Documents duly signed by two Directors (or by their agents duly authorised in writing) as having been approved by a resolution of the Directors (and all other documents required to be attached thereto) not later than the Prospectus Posting Date and in compliance with the Listing Rules, the Companies (WUMP) Ordinance and the Companies Ordinance;

(b) the posting of the Prospectus Documents to the Qualifying Shareholders by the Prospectus Posting Date and the posting of the Prospectus and a letter to the Excluded Shareholders, if any, for information purpose only explaining the circumstances in which they are not permitted to participate in the Rights Issue on or before the Prospectus Posting Date;

(c) the Listing Committee of the Stock Exchange granting or agreeing to grant (subject to allotment) listing of and permission to deal in all the Rights Shares, in both nil-paid and fully-paid forms and such listing not being withdrawn or revoked; and

(d) the Placing Agreement not having been terminated in accordance with the provisions thereof, and remaining in full force and effect.

None of the above conditions can be waived. The Company shall use its reasonable endeavours to procure the fulfilment of the conditions above (to the extent it is within its power to do so) and shall do all the things required to be done by it pursuant to the Prospectus Documents or otherwise reasonably necessary to give effect to the Rights Issue. If any of the conditions referred to above are not fulfilled at or before the Latest Time for Termination, the Rights Issue will not proceed.

As the proposed Rights Issue is subject to the fulfilment of the above conditions, it may or may not proceed. Shareholders and public investors are advised to exercise caution in dealing in the securities of the Company.

Basis of provisional allotment

Under the Rights Issue, the basis of the provisional allotment will be three (3) Rights Shares for every eight (8) Shares held by the Shareholders as at the close of business on the Record Date at the Subscription Price. Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by completing a PAL and lodging the same with a cheque or a banker's cashier order for the sum payable for the Rights Shares being applied for with the Registrar on or before the Latest Time for Acceptance.

If a Qualifying Shareholder wishes to accept only a part of, or to renounce or transfer a part of, the Rights Shares provisionally allotted to him/her/it under the PAL, such Qualifying Shareholder will need to split his/her/its PAL into the denominations required. Details as to how to split the PALs will be set out in the Prospectus.

Fractional provisional allotment of the Rights Shares

The Company will not provisionally allot and will not accept application for any fractions of the Rights Shares. All fractions of the Rights Shares will be aggregated and sold by the Company in the open market if a premium (net of expenses) can be obtained. Any of the Rights Shares remain unsold in the market will not be issued by the Company and the size of the Rights Issue will be reduced accordingly.

Odd lot arrangement

In order to facilitate the trading of odd lots (if any) of the Shares, a designated broker will be appointed to stand in the market to match the purchase and sale of odd lots of the Shares at the relevant market price, on a best effort basis. Shareholders should note that matching of the sale and purchase of odd lots of the Shares is not guaranteed. Any Shareholder who is in any doubt about the odd lots arrangement is recommended to consult his/her/its own professional advisers. Further details in respect of the odd lots trading arrangement will be set out in the Prospectus.

Status of the Rights Shares

The Rights Shares (when allotted, fully paid or credited as fully paid and issued) will rank *pari passu* in all respects among themselves and with the Shares in issue on the date of allotment and issue of the Rights Shares. Holders of the fully-paid Rights Shares will be entitled to receive all future dividends and distributions which may be declared, made or paid on or after the date of allotment and issue of the fully-paid Rights Shares. Dealings in the Rights Shares in both their nil-paid and fully-paid forms will be subject to payment of stamp duty, Stock Exchange trading fee, transaction levy, investor compensation levy or any other applicable fees and charges in Hong Kong.

Undertakings

The Company has not received any information or irrevocable undertaking from any substantial Shareholder of the Company of any intention in relation to the Rights Shares to be provisionally allotted to that Shareholder under the Rights Issue as at the date of this announcement.

Qualifying Shareholders

The Rights Issue will only be available to the Qualifying Shareholders. The Company will send the Prospectus Documents to the Qualifying Shareholders. Subject to the advice of the Company's legal advisers in the relevant jurisdictions and to the extent reasonably practicable, the Company may send copies of the Prospectus to the Excluded Shareholders for their information only but will not send any PAL to them.

To qualify for the Rights Issue, a Shareholder must be (i) registered as a member of the Company at the close of business on the Record Date; and (ii) not an Excluded Shareholder. Shareholders with their Shares held by a nominee (or held in CCASS) should note that the Board will consider nominee (including HKSCC Nominees Limited) as one single Shareholder according to the register of members of the Company and are advised to consider whether they would like to arrange for the registration of the relevant Shares in their own names prior to the Record Date.

In order to be registered as members of the Company on the Record Date, the Shareholders must lodge any transfer documents of the Shares (together with the relevant share certificates) with the Registrar, Tricor Investor Services Limited, 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong by no later than 4:30 p.m. on Thursday, 5 February 2026.

The Company expects to send the Prospectus Documents to the Qualifying Shareholders on Friday, 13 February 2026.

Qualifying Shareholders who take up their pro-rata entitlement in full under the Rights Issue will not suffer any dilution to their interests in the Company.

If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company will be diluted.

Certificates of the Rights Shares and refund cheques

Subject to fulfilment of the conditions of the Rights Issue, share certificates for all fully-paid Rights Shares are expected to be sent on or about Monday, 23 March 2026 by ordinary post to those entitled thereto, at their own risk, to their registered addresses.

Taxation

Shareholders are advised to consult their professional advisers if they are in any doubt as to the taxation implications of the receipt, purchase, holding, exercising, disposing of or dealing in, the nil-paid Rights Shares or the Rights Shares and, regarding the Excluded Shareholders, their receipt of the net proceeds, if any, from sale of the nil-paid Rights Shares on their behalf.

Application for listing in nil-paid and fully-paid forms

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and the permission to deal in, the Rights Shares (in both nil-paid and fully-paid forms) to be allotted and issued pursuant to the Rights Issue. No part of the securities of the Company is listed or dealt in, and no listing of or permission to deal in any such securities is being or is proposed to be sought, on any other stock exchanges. Dealing in the Rights Shares in both their nil-paid and fully-paid forms will be in the board lots of 1,000 Rights Shares.

Rights Shares will be eligible for admission into CCASS

Subject to the granting of the listing of, and the permission to deal in, the Rights Shares (in both their nil-paid and fully-paid forms) on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares (in both their nil-paid and fully-paid forms) will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the respective commencement dates of dealings in the rights shares in their nil-paid and fully-paid forms on the Stock Exchange, or such other dates as determined by HKSCC.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of HKSCC and HKSCC Operational Procedures in effect from time to time. Shareholders should seek advice from their licensed securities dealer(s) or other professional adviser(s) for details of those settlement arrangements and how such arrangements will affect their rights and interests.

Rights of Overseas Shareholders

The Prospectus Documents to be issued in connection with the Rights Issue will not be registered or filed under the securities law of any jurisdiction other than Hong Kong. If there are Overseas Shareholders at the close of business on the Record Date, the Overseas Shareholders may not be eligible to take part in the Rights Issue as explained below.

The Board will comply with Rule 13.36(2)(a) of the Listing Rules and make necessary enquiries regarding the feasibility of extending the Rights Issue to the Overseas Shareholders (if any) under the laws of the relevant overseas jurisdictions and the requirements of the relevant regulatory bodies or stock exchanges. If, based on legal advice, the Board is of the opinion that it would be necessary or expedient not to offer the Rights Shares to any Overseas Shareholders on account either of the legal restrictions under the laws of relevant place(s) or the requirements of the relevant overseas regulatory body or stock exchange, no provisional allotment of the nil-paid Rights Shares or allotment of fully-paid Rights Shares will be made to such Overseas Shareholders. In such circumstances, the Rights Issue will not be extended to the Excluded Shareholders.

As at the date of this announcement, there are 14 Overseas Shareholders with registered addresses situated in overseas. The basis for excluding the Excluded Shareholders, if any, from the Rights Issue will be set out in the Prospectus to be issued. To the extent reasonably practicable and subject to the advice of legal advisers in the relevant jurisdictions in respect of applicable local laws and regulations, the Company will send the Prospectus (without the PAL) and a letter explaining the circumstances in which the Excluded Shareholders are not permitted to participate in the Rights Issue to the Excluded Shareholders for their information only.

Overseas Shareholders should note that they may or may not be entitled to the Rights Issue, subject to the results of enquiries made by the Directors pursuant to Rule 13.36(2) of the Listing Rules. Accordingly, Overseas Shareholders should exercise caution when dealing in the Shares. The Company reserves the right to treat as invalid any acceptances of, or applications for, the Rights Shares where it believes that such acceptance or application would violate the applicable securities or other laws or regulations of any territory or jurisdiction. Accordingly, Overseas Shareholders should exercise caution when dealing in the Shares, and if they are in any doubt about their position, they should consult their own professional advisers.

Procedures in respect of the Unsubscribed Shares and the NQS Unsold Rights Shares and the Compensatory Arrangements

Pursuant to Rule 7.21(1)(b) of the Listing Rules, the Company must make arrangements to dispose of any Unsubscribed Shares and the NQS Unsold Rights Shares by offering such Unsubscribed Shares and the NQS Unsold Rights Shares to independent placees for the benefit of those Shareholders to whom they were offered by way of the Rights Issue. There will be no excess application arrangements in relation to the Rights Issue as stipulated by Rule 7.21(1)(a) of the Listing Rules.

The Company appointed the Placing Agent to place the Unsubscribed Shares after the Latest Time for Acceptance to independent placees on a best effort basis, and any premium over the aggregate amount of (i) the Subscription Price for those Rights Shares; and (ii) the expenses of the Placing Agent (including any other related costs and expenses), that is realised from the Placing (the "**Net Gain**") will be paid to the relevant No Action Shareholders and Excluded Shareholders in the manner set out below. The Placing Agent will, on a best effort basis, procure, by not later than 4:00 p.m. on Wednesday, 11 March 2026, acquirers for all (or as many as possible) of those Unsubscribed Shares and the NQS Unsold Rights Shares at a price not less than the Subscription Price.

Net Gain (if any but rounded down to the nearest cent) will be paid on a pro-rata basis to the relevant No Action Shareholders and Excluded Shareholders as set out below:

(i) for No Action Shareholders, the relevant Qualifying Shareholders (or such persons who hold any nil-paid rights at the time such nil-paid rights are lapsed) whose nil-paid rights are not validly applied for in full, by reference to the extent that Shares in his/her/its nil-paid rights are not validly applied for, and where the nil-paid rights are, at the time they lapse, represented by a PAL, to the person whose name and address appeared on the PAL and where the nil-paid rights are, at the time they lapse, registered in the name of HKSCC Nominees Limited, to the beneficial holders (via their respective CCASS participants) as the holder of those nil-paid rights in CCASS; and

(ii) for Excluded Shareholders, the relevant Excluded Shareholders whose name and address appeared on the register of members of the Company on the Record Date with reference to their shareholdings in the Company on the Record Date.

It is proposed that if the net gain to any of the No Action Shareholder(s) and Excluded Shareholder(s) mentioned above (i) is more than HK$100, the entire amount will be paid to them; or (ii) is HK$100 or less, such amount will be retained by the Company for its own benefit.

CLOSURE OF REGISTER OF MEMBERS FOR RIGHTS ISSUE

The register of members of the Company will be closed from Friday, 6 February 2026 to Thursday, 12 February 2026 (both dates inclusive) for the purpose of determining entitlements to the Rights Issue. During this period, no transfer of Shares will be registered.

The Directors consider that the terms of the Placing Agreement are fair and reasonable and on normal commercial terms.

The Placing Agent confirms that it is an Independent Third Party. The Placing Agent will, on a best efforts basis during the Placing Period, seek to procure subscribers who (or as the case may be, their ultimate beneficial owner(s)) are not Shareholders and are otherwise Independent Third Parties for all (or as many as possible) of the Unsubscribed Shares and NQS Unsold Rights Shares.

As such, the Company considers that the Compensatory Arrangements will provide

a compensatory mechanism for the No Action Shareholders, protect the interest of the Independent Shareholders, and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

As the Company has put in place the above Compensatory Arrangements as required by Rule 7.26A(1)(b) of the Listing Rules, there will be no excess application arrangements in relation to the Rights Issue as stipulated under Rule 7.26A(1)(a) of the Listing Rules.

Subject to the fulfilment of the conditions of the Rights Issue, the Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares. There are no applicable statutory requirements regarding minimum subscription levels in respect of the Rights Issue. In the event of an undersubscription of the Rights Issue, the size of the Rights Issue will be reduced accordingly.

REASONS FOR AND BENEFITS OF THE RIGHTS ISSUE AND USE OF PROCEEDS

The Company is an investment company listed on the main board of the Stock Exchange under Chapter 21 of the Listing Rules. The principal business of the Company is investment holding and the Group is principally engaged in investments in listed and unlisted equity and debt securities as well as in other financial instruments and investment vehicles which are established or have significant operations or businesses primarily in the Greater China region, consisting of the PRC, Hong Kong, the Macau Special Administration Region of the PRC and Taiwan, with potential for long-term capital appreciation.

In 2024, the Company continued to report losses, recording a net loss of approximately US$0.36 million for the year ended 31 December 2024, as compared to a net loss of approximately US$0.46 million in 2023, primarily because the positive contribution from the investment portfolio was insufficient to fully offset operating expenses. For the six months ended 30 June 2025, the Company recorded an unaudited net loss of approximately US$0.15 million, representing a widening of losses against the corresponding period in 2024, mainly attributable to a lower level of unrealised gains on listed securities and reduced dividend income from the investment portfolio.

During 2024, the Hong Kong equity market remained volatile but ultimately delivered a notable full-year gain, with the Hang Seng Index rising by 17.7% as stated in the "2024 Year-end Market Report" from the Hang Seng Indexes Company, led by internet-related information technology, financial and telecommunications sectors, while healthcare, retail and property sectors lagged behind. The Company's listed investment portfolio, which was primarily exposed to Hong Kong-listed large-cap telecommunications and internet names, achieved a return of approximately 4.64% in 2024 and 5.56% in the first half of 2025, these gains were not sufficient to offset recurring operating costs, resulting in further erosion of net asset value.

In view of the persistently challenging and volatile investment environment in Hong Kong and the broader PRC markets, the Company intends to adopt a disciplined and selective investment approach. In particular, the Company plans to deploy (i) a substantial portion of its available capital to gradually increase exposure to high-quality, dividend-paying listed equities in sectors such as telecommunications and technology, with a view to enhancing recurring income and capturing medium to long term capital appreciation; (ii) part of its cash resources to strengthen research, risk management and portfolio monitoring capabilities, including the use of data and analytics to support investment decisions and volatility management; and (iii) to meet ongoing operating expenses and to preserve adequate liquidity and working capital for potential market dislocations and emerging opportunities.

Under the challenging market conditions, the Group intends to utilize 80% of the net proceeds for securities investment and/or future investment opportunities in alignment with its principal businesses as and when opportunities arise. The remaining 20% of the net proceeds is intended to apply towards general working capital of the Group, including payment of business operating expenses, general administrative and other investment-related costs. As at the date of this announcement, the Company has not identified any specific investment targets and is not currently in negotiations for any possible investments. As at the date of the announcement, save for the Rights Issue, the Company does not have any other immediate plan or is not contemplating to have further fund raising for at least the next 12 months for financing its existing investments or any other new investments.

Fundraising alternatives

The Board has considered various fundraising alternatives before resolving to the Rights Issue, including debt financing and equity financing alternatives such as open offer and placing of new shares.

The Board is of the view that while debt financing will increase the gearing ratio of the Group and having considered the prevailing high interest rate environment, debt financing will increase the on-going interest expenses of the Group which may in turn affect the profitability of the Group.

With respect to equity financing alternatives, the Board considers that placing of new Shares would be a sub-optimal fundraising means as it will lead to an immediate dilution in shareholding interest of the existing Shareholders without offering them opportunities to participate in the enlargement of the capital base of the Company. As for open offer, similar to a rights issue, it also offers qualifying shareholders to participate, but it does not allow the trading of rights entitlements in the open market. The Directors are of the view that the Rights Issue provides better financial flexibility for the Company as it will strengthen the capital base of the Company, thus enhancing the overall working capital to fulfill the development plan of the Group without further increase the interest burden to the Group. The Rights Issue also offers all Qualifying Shareholders the opportunity to maintain their pro rata shareholding interests in the Company and avoid shareholding dilution for those Shareholders who take up their entitlement under the Rights Issue in full.

Having considered the above, the Directors consider that the terms of the Rights Issue are on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders as a whole.
