SUPPLEMENTAL ANNOUNCEMENT IN RELATION TO EXTENSION OF THE BALANCE PAYMENT DUE DATE OF THE DISPOSAL OF SUBSIDIARY

References are made to the announcements issued by Platt Nera International Limited (the "**Company**") dated 10 June 2025 and 30 December 2025 in relation to, among others, (i) discloseable transaction in relation to the Disposal of the subsidiary of the Company; and (ii) extension of the balance payment due date of the disposal of subsidiary (collectively, the "**Announcements**"). Unless otherwise stated, capitalised terms used in this announcement shall have the same meanings as defined in the Announcements.

The board of directors (the "**Board**") of the Company hereby wishes to provide the following supplementary information regarding the extension of the balance payment due date.

REQUEST FOR EXTENSION

As disclosed in the Announcements, the Purchaser requested an extension of the due date for the balance of Consideration from on or before 31 December 2025 to on or before 30 June 2026. This request was formally made by the Purchaser to the Board, citing the need for additional time to arrange funds for the final payment.

BOARD ASSESSMENT AND REASONS FOR APPROVING THE EXTENSION

The Board, after careful consideration, agreed to enter into the supplemental agreement dated 30 December 2025 to extend the payment deadline. The Board's decision was based on the following considerations:

(i) Demonstrated Commitment of the Purchaser

The Purchaser has already paid HK$4,000,000 to the Company, representing the first and second instalments and 31.2% of the Consideration as scheduled. This partial payment demonstrates the Purchaser's financial commitment and good faith in fulfilling the acquisition agreement.

(ii) Security Arrangements

The Company's interests remain protected by multiple protective clauses established under the original Sale and Purchase Agreement ("**Agreement**"), including but not limited to that (a) the Purchaser Guarantor has provided a personal guarantee for the full and timely performance of all obligations of the Purchaser under the Agreement; and (b) The Purchaser has executed a Share Charge in favour of the Company, granting a charge over the entire issued share capital of the Target Company as security for the outstanding obligations, including payment of the Balance.

(iii) Financial Standing of the Purchaser Guarantor

Based on the due diligence conducted at the time of the original transaction in June 2025 and recent reassessments, the Board is aware that Purchaser Guarantor holds significant assets which sufficiently cover the outstanding Consideration amount. This provides further assurance of his ability to fulfil the guarantee obligations as Purchaser Guarantor, if required.

(iv) Preservation of Commercial Relationship and Goodwill

The Board considers that granting a reasonable extension in response to the Purchaser's funding timeline request is a gesture of commercial goodwill. It facilitates the successful completion of the disposal, ensures the full collection of the Consideration, and avoids the potential costs, delays, and uncertainties associated with enforcing security or pursuing legal remedies at this juncture.

(v) Continued Enforceability of Rights

All other terms of the Agreement, including the Purchaser Guarantor's obligations and the Company's rights under the Share Charge, remain in full force and effect.

Having considered the above factors, the Board is of the view that the risks associated with the extension are mitigated and the likelihood of securing full payment of the outstanding Balance is maximised.

This announcement is supplemental and should be read in conjunction with the Announcements. Save as disclosed in this announcement, all information and contents of the Announcements remain unchanged.
