UNAUDITED OPERATING DATA AND UNAUDITED REVENUE INFORMATION OF 2025

This announcement is made by Newborn Town Inc. (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company is pleased to announce that the unaudited operating data and unaudited revenue information for the year ended 31 December 2025 are as follows:

- **SOCIAL NETWORKING BUSINESS:**

(i) the volume of accumulative downloads of the Group's social networking business reached approximately 970 million as of 31 December 2025, representing an increase of approximately 5.9% as compared to that of 30 September 2025;

(ii) the average monthly active users of the Group's social networking business amounted to approximately 35.285 million for the fourth quarter of 2025, representing an increase of approximately 3.5% as compared to that of the third quarter of 2025; and

(iii) the revenue generated from the Group's social networking business is expected to reach approximately RMB6,030 million to RMB6,230 million for the year ended 31 December 2025, representing an increase of approximately 30.4% to 34.8% as compared to that of the corresponding period in 2024.

The significant year-on-year growth in revenue from the Group's social networking business in 2025 was mainly attributable to the sustained and steady growth of the Group's diversified social products driven by the utilisation of AI technology.

- **INNOVATIVE BUSINESS:**

The revenue from the Group's innovative business is expected to reach approximately RMB730 million to RMB770 million for the year ended 31 December 2025, representing an increase of approximately 55.7% to 64.2% as compared to that of the corresponding period in 2024.

The Group's innovative business recorded a notable revenue increase, mainly attributable to the solid development of its traffic diversion business and the social e-commerce business, as well as the contribution from the short drama business which the Company has been actively investing in. In addition, the Group's niche games also contributed to revenue.

The above-mentioned operating data is unaudited and is based on preliminary internal information of the Group, which may differ from the figures to be disclosed in the audited or unaudited consolidated financial statements to be published by the Company on an annual or half-yearly basis due to various uncertainties during the process of collecting such information. As such, the above operating data, which is preliminary in nature, is provided for investors' reference only. Investors are advised to exercise caution and not to place undue reliance on such information when dealing in the securities of the Company. When in doubt, investors are advised to seek professional advice from professionals or financial advisers.
