POSITIVE PROFIT ALERT

This announcement is made by MicroPort Scientific Corporation (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap.571, Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform holders of the Company’s shares and securities and potential investors that, based on a preliminary review of the Group’s unaudited consolidated financial statements and currently available data, the Group is expected to achieve a turnaround to profitability for the year ended 31 December 2025 (the “**Period**”), recording a net profit of not less than USD20 million (for the year ended 31 December 2024: audited net loss of approximately USD268 million).

The expected turnaround during the Period is mainly attributable to:

- (1) sustained revenue growth, particularly revenue from the going-abroad business[#] which continued to contribute rapid year-on-year growth of approximately 70%;
- (2) increase in the gross profit margin by 2 to 3 percentage points as compared with that of last year, driven by the implementation of cost optimization initiatives despite downward pressure on product pricing from domestic industry policies in the PRC;
- (3) a year-on-year decrease in operating expenses of the Group of approximately 10% to 11% due to continuous deepening of lean management and enhanced operational efficiency; and
- (4) positive gains contributed to the Group from disposal of subsidiaries.

[#] Refers to the business of the sales in overseas markets of products which are developed by the Group and approved in the PRC.

As at the date of this announcement, the Company is still in the process of preparing and completing the annual results of the Group for the year ended 31 December 2025 (the “**2025 Annual Results**”). The information in this announcement is based on a preliminary assessment of the business operation information currently available to the Board and is not based on any financial data or figures that have been audited or reviewed by the independent auditors or the Audit Committee of the Company. Holders of the Company’s shares and securities and potential investors are advised to carefully review the announcement of the Company’s 2025 Annual Results, which is expected to be published by the end of March 2026.

Holders of the Company’s shares and securities and potential investors are advised to exercise caution when dealing in the shares and securities of the Company.

By order of the Board
MicroPort Scientific Corporation
Dr. Zhaohua Chang
Chairman

Shanghai, the PRC, 22 January 2026

As at the date of this announcement, the executive Director is Dr. Zhaohua Chang; the non-executive Directors are Dr. Feng Gu, Dr. Qingbing Men and Ms. Weiqin Sun; and the independent non-executive Directors are Mr. Jonathan H. Chou, Dr. Guoen Liu and Mr. Chunyang Shao.
