PROFIT WARNING

This announcement is made by Kantone Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited ("**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the "**Board**") of the Company hereby informs the shareholders of the Company and potential investors that, based on the currently available unaudited consolidated management accounts of the Group for the six months ended 31 December 2025 and other information currently available to the Board, the Group is expected to record a profit attributable to shareholders (before taking into account of other comprehensive income & expenses) ranging from approximately HK$3 million to 5 million, as compared with approximately HK$11.6 million (before taking into account of other comprehensive income & expenses) for the six months ended 31 December 2024. The decrease of profit attributable to shareholders for the six months ended 31 December 2025 was primarily attributed to (i) the decrease of revenue from system sales including software licensing and services of approximately HK$5 million when compare to the same period of previous year due to a number of external factors, such as weak UK economic momentum, and specifically, delays in the award of tenders and contracts in the UK Public Healthcare sector, attributable to procurement and budgetary delays relating to the UK Government; and (ii) the increase of distribution costs of approximately HK$2 million when compare to the same period of previous year. However, we have seen a recent uptick in orders received in the early part of 2026, including the award of contracts from a number of UK Healthcare Trusts for the new Multitone Nucleus cloud messaging solution.

As far as the profit warning is concerned, the information contained in this announcement is based solely on a preliminary assessment by the Company with reference to the latest unaudited consolidated management accounts for the six months ended 31 December 2025 along with the information currently available to the Company, and is not based on any figure or information audited or reviewed by the Company's independent auditors or the audit committee of the Company, and may be subject to possible amendments and adjustments. Shareholders and potential investors are advised to refer to details in the interim results announcement of the Company for the six months ended 31 December 2025 which is expected to be published on or before the end of February 2026.

Shareholders and investors are advised to exercise caution when dealing in the shares of the Company.
