VOLUNTARY ANNOUNCEMENT
INCLUSION OF THE COMPANY AS A CONSTITUENT STOCK OF THE HANG SENG COMPOSITE INDEX

This announcement is published by Seyond Holdings Ltd. (the "**Company**" or "**Seyond**") and its subsidiaries (collectively the "**Group**") on a voluntary basis.

The Company is pleased to announce that, according to the announcement made by Hang Seng Indexes Company Limited on February 13, 2026, the Company has been selected and will be included as a constituent stock of the Hang Seng Composite Index by Hang Seng Indexes Company Limited, effective from March 9, 2026. The Hang Seng Composite Index is a comprehensive Hong Kong market benchmark that covers about the top 95th percentile of the total market capitalisation of companies listed on the Main Board of The Stock Exchange of Hong Kong Limited and can be used as a basis for index funds, mutual funds as well as performance benchmarks.

The Company believes that its inclusion as a constituent stock of the Hang Seng Composite Index reflects the capital market's recognition of the Group's business performance and value, which will potentially broaden the Company's shareholder base and increase trading liquidity of the Company's shares, resulting in enhancement in investment value and reputation of the Company in the capital market. For further details, please refer to the relevant index notice(s) published on the website of Hang Seng Indexes Company Limited (https://www.hsi.com.hk).

The Company would like to thank its shareholders (the "**Shareholders**") for their continued support to the Company. The Company will continue to strive to develop its business and maximize its value for its shareholders.

INFORMATION ABOUT THE COMPANY

Seyond, a leading global provider of image-grade LiDAR technology, is listed on the Main Board of The Stock Exchange of Hong Kong Limited. Founded in 2016, the Company has built a comprehensive global R&D and manufacturing ecosystem, committed to building a safer, smarter and more efficient mobility future.

With strong R&D capabilities and profound technological expertise, Seyond continuously develops industry-leading LiDAR products and solutions. It drives the rapid iteration of its product lines including the Falcon Platform, Robin Platform and fully solid-state Hummingbird Platform, while ensuring high performance, reliability and cost competitiveness. Currently, over 600,000 Falcon units are in use, and the product continues to be mass-produced today.

Backed by deep insights into application scenarios and forward-looking product strategy, Seyond's products and solutions are widely deployed in intelligent vehicles, autonomous driving, broad robotics, intelligent transportation, smart ports, intelligent shipping, smart railway, smart mining and other sectors. The Company has established in-depth partnerships with numerous leading enterprises worldwide.

At present, Seyond's LiDAR solutions have achieved large-scale commercial deployment in many countries and regions across the globe. By delivering innovative software and hardware technologies, Seyond continues to empower a safer and smarter future for all.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.

By order of the Board
Seyond Holdings Ltd.
