STRUCTURE OF THE GLOBAL OFFERING

The Global Offering comprises:

- the Hong Kong Public Offering of initially 2,034,000 H Shares (subject to reallocation) representing approximately 10.0% of the total number of Offer Shares initially available under the Global Offering, and
- the International Offering of initially 18,302,000 H Shares (subject to reallocation and the Over-allotment Option) representing approximately 90.0% of the total number of Offer Shares initially available under the Global Offering.

The allocation of the Offer Shares between the Hong Kong Public Offering and the International Offering will be subject to reallocation as described in the section headed “Structure and Conditions of the Global Offering” in the Prospectus.

The Overall Coordinators may in their sole discretion reallocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering. In particular, if (i) the International Offer Shares are fully subscribed or oversubscribed and the Hong Kong Offer Shares are fully subscribed or oversubscribed irrespective of the number of times; or (ii) the International Offer Shares are undersubscribed and the Hong Kong Offer Shares are fully subscribed or oversubscribed irrespective of the number of times, then up to 1,016,000 Offer Shares may be reallocated from the International Offering to the Hong Kong Public Offering, so that the total number of Offer Shares available for subscription under the Hong Kong Public Offering will increase up to 3,050,000 Offer Shares, representing 15% of the number of Offer Shares initially available under the Global Offering (before any exercise of the Over-allotment Option), in accordance with Chapter 4.14 of the Guide for New Listing Applicants issued by the Stock Exchange.

In connection with the Global Offering, the Company is expected to grant the Over-allotment Option to the International Underwriters, exercisable by the Overall Coordinators (for themselves and on behalf of the International Underwriters). Pursuant to the Over-allotment Option, the International Underwriters will have the right, exercisable by the Overall Coordinators (for themselves and on behalf of the International Underwriters) at any time from the Listing Date until 30 days after the last day for lodging applications under the Hong Kong Public Offering, to require our Company to issue up to an aggregate of 3,050,000 additional Offer Shares (representing not more than 15% of the total number of Offer Shares under the Global Offering), at the Offer Price under the International Offering to cover over-allocations in the International Offering, if any. In the event the Over-Allotment Option is exercised, an announcement will be made on the website of the Company at <http://www.anwood.com.cn> and the Stock Exchange’s website at www.hkexnews.hk.
