INSIDE INFORMATION — EXPECTED DECREASE IN LOSS

This announcement is made by Xikang Cloud Hospital Holdings Inc. (the "**Company**", together with its subsidiaries and the consolidated affiliated entities controlled under the contractual arrangements, the "**Group**") pursuant to the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The board of directors (the "**Director(s)**") of the Company (the "**Board**") wishes to inform shareholders of the Company and potential investors that based on its preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2025 (the "**Year 2025**"), it is expected that (i) the net loss recorded by the Group for the Year 2025 will decrease by not less than 46% compared to the net loss of RMB83.8 million for the year ended 31 December 2024; and (ii) the adjusted net loss recorded by the Group for Year 2025 will decrease by not less than 66% compared to the adjusted net loss (non-HKFRS measure, which excludes share-based compensation expenses) of RMB75.3 million for the year ended 31 December 2024.

The Group's net loss is expected to decrease primarily due to (i) the Group's continued efforts to strengthen accounts receivable management and actively collect overdue payments, which led to the reversal of impairment losses on trade receivables during the Year 2025; and (ii) the continued strengthening of production control and the continuous improvement of resource allocation efficiency.

The information contained in this announcement is based on a preliminary assessment made by the Company with reference to the Group's unaudited consolidated management accounts and has not been audited or reviewed by the auditors of the Company or the Audit Committee of the Board. Details of the Group's financial information for the Year 2025 will be disclosed in the Company's annual results announcement for the year ended 31 December 2025, which is expected to be published before the end of March 2026.
