POSITIVE PROFIT ALERT

This announcement is made by Voicecomm Technology Co., Ltd.* (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Directors**”) of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholder(s)**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended December 31, 2025 (the “**Year 2025**”), the Group is expected to record a net profit of no less than RMB120.0 million for the Year 2025, as compared to a net loss of approximately RMB481 million recorded for the year ended December 31, 2024.

Based on information currently available, the Board believes that the aforementioned expected turnaround from loss to profit is mainly attributable to a loss of RMB632,820,000 recorded by the Group in 2024 arising from changes in carrying amount of redeemable capital contributions. Following the completion of the Company’s global offering, the balance of the redeemable capital contributions was reclassified from financial liabilities to equity. Accordingly, the impact arising from changes in carrying amount of redeemable capital contributions has ceased and did not affect the financial statements of the Group for the Year 2025.

As of the date of this announcement, the Company is still in the process of preparing and finalizing the consolidated annual results of the Group for the Year 2025. The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the information currently available to the Board and the unaudited management accounts of the Group for the Year 2025, which have not been audited or reviewed by the Company’s independent auditors and/or the audit committee of the Company, and may be subject to adjustment. Shareholders and potential investors are advised to read carefully the annual results announcement of the Company for the Year 2025, which is expected to be published by the end of March 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
