PROFIT ALERT

This announcement is made by iMotion Automotive Technology (Suzhou) Co., Ltd. (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**", and each a "**Director**") of the Company wishes to inform the Company's shareholders and potential investors that based on a preliminary review of the Group's unaudited consolidated management accounts for the year ended December 31, 2025 ("**FY2025**") and the information currently available to the Board, the Group is expected to record a loss before tax of approximately RMB415.19 million for FY2025 as compared to a loss before tax of approximately RMB288.34 million for the year ended December 31, 2024 ("**FY2024**"), representing an increase by approximately 44%. The Board considers that, the increase in the loss before tax for FY2025 as compared to that for FY2024 was primarily attributable to combined effect of the following factors:

(1) the Company has further increased its research and development ("**R&D**") investment in new self-developed products and autonomous driving technology, as well as its investment in high-end autonomous driving algorithm talents, which resulted in an increase in R&D expenses for FY2025 compared to that for FY2024; and

(2) due to market pricing strategies and adjustments to product portfolio, the sales revenue of the Company's autonomous driving controller product, Supervision™, has declined, leading to a decrease in the gross profit for FY2025 compared to that for FY2024.

The Company is currently in the process of finalizing the annual results of the Group for FY2025. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group for FY2025 which have not been reviewed or audited by the independent auditor of the Company or confirmed by the audit committee of the Company, and the actual results may therefore be subject to adjustments. The FY2025 audited annual results announcement of the Company is expected to be published by the end of March 2026.

The shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
