PROFIT WARNING — REDUCTION IN LOSS

This announcement is made by Teamway International Group Holdings Limited (the "**Company**"), together with its subsidiaries (the "**Group**"), pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the laws of Hong Kong).

Anticipation of a Decrease in Loss

The board of directors of the Company (the "**Board**") wishes to inform the shareholders ("**Shareholders**") and potential investors of the Company that, based on the information currently available and preliminary assessment of the latest unaudited financial information of the Group, the Group expects to record a decrease in loss attributable to owners of the parent for the year ended 31 December 2025 ("**FY2025**") by approximately 60% to 70% as compared with the loss attributable to owners of the parent of approximately RMB105.6 million for the year ended 31 December 2024 ("**FY2024**").

Such expected decrease was mainly attributable to the following reasons:

(i) an absence of impairment loss on property, plant and equipment of RMB 22.13 million in FY2024;

(ii) a decrease in cost of sales due to lower production costs from producing by our own factories in FY2025 as compared to partially outsourcing our production to other factories in FY2024; and

(iii) the cost control measures of reduction in labour costs and transportation costs.

The above information is only based on the preliminary assessment by the Company with reference to the information currently available and the unaudited management accounts of the Group, which is therefore subject to necessary adjustments or amendments.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
