PROFIT WARNING

This announcement is made by FAR International Holdings Group Company Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary assessment on the unaudited consolidated management accounts of the Group for the year ended 31 December 2025 ("**YE2025**") and the information currently available to the Board, the Group expects to record (i) revenue of approximately RMB1.8 billion to RMB2.2 billion for YE2025, representing a decrease of approximately 40% to 26% as compared to the year ended 31 December 2024, mainly attributable to changes in U.S. tariff policies, which led to a decline in the Group's shipments to the United States; and (ii) profits attributable to the owners of the Company for YE2025 are expected to be less than RMB10 million, representing a decrease of at least approximately 85.6% compared with the previous year, primarily due to the aforementioned decline in total revenue, as well as an increase in goodwill impairment losses from a wholly owned operating subsidiary during YE2025. The management of the Company would like to emphasise that, as compared with first half of YE2025, the Group recorded a notable improvement in both revenue and net profit in the second half of the year. Such improvement was primarily attributable to the deepening of collaboration with the Group's major long-term customers, as well as refined and effective cost management measures.

This announcement is solely based on the preliminary assessment on the information currently available to the Board and the unaudited consolidated management account of the Company for YE2025, which have not been reviewed by the Company's auditor or confirmed by the audit committee of the Company. Therefore, actual results of the Group for YE2025 may be different from the information contained in this announcement. Shareholders and potential investors shall read the annual results announcement of the Group for YE2025 for details on the Group's performance, and such announcement is expected to be published by the end of March 2026.

Shareholders and potential investors are advised to exercise caution when dealing in shares of the Company.
