INSIDE INFORMATION
PROFIT WARNING

This announcement is made by Zhenro Properties Group Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on a preliminary assessment of the unaudited management accounts of the Group for the year ended 31 December 2025 (“**Year 2025**”) and the other information currently available, it is expected that the Group will record a loss attributable to owners of the parent of approximately RMB17,000 million to approximately RMB18,000 million (loss attributable to owners of the parent for the year ended 31 December 2024 (“**Year 2024**”): approximately RMB6,830 million) and a core loss (representing net loss excluding impacts from non-cash items such as impairment losses, fair value changes and exchange gains or losses) of approximately RMB5,000 million to approximately RMB6,000 million (core loss for Year 2024: approximately RMB3,178 million) in Year 2025.

The loss attributable to owners of the parent was mainly attributable to the following factors: (i) the decline in overall demand of the real estate sector in the People’s Republic of China, leading to lower project selling prices and gross profit, as well as provisions for impairment of properties under development, completed properties held for sale and other assets, and financial assets; (ii) an increase in non-capitalized financing interest; and (iii) a decline in the fair value of investment properties for Year 2025.

The expected increase in loss was primarily attributable to a decrease in gross profit and an increase in provisions for impairment losses in Year 2025 as compared to Year 2024.

The information contained in this announcement is only based on a preliminary assessment by the Board of the unaudited management accounts of the Group for Year 2025 and the other information currently available to the Board, which have not been audited or reviewed by the Company’s auditors

or the audit committee of the Company, and may be subject to further adjustments or amendments. Shareholders and potential investors of the Company are advised to read carefully the annual results announcement of the Company for Year 2025, which is expected to be published on 27 March 2026.
