PROFIT WARNING

This announcement is made by XinKong International Capital Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary assessment of our unaudited consolidated management accounts for the year ended 31 December 2025 (the "**Year 2025**") and the information currently available to the Board, it is expected to record an increase of approximately 210% in the net loss for the Year 2025 as compared to the corresponding period in 2024. The increase in losses was mainly due to the decrease in revenue, the decrease in the value of financial assets at fair value through profit or loss, and the provision of significant impairment loss for a loan. However, the change in fair value of financial assets and the asset impairment loss are non-cash items, which are not expected to have material adverse impact on overall operating cash flow or business operations.

Information contained in this announcement is based on a preliminary review by the Board on the information currently available, rather than on any figures or information which have been audited or reviewed by the independent auditors of the Company or the audit committee of the Company, and may be subject to adjustment. Shareholders and potential investors are advised to read carefully the Group's annual results announcement for the Year 2025 which is expected to be published by the end of March 2026.

The subsequent changes in the fair value of the collateral or financial assets held by the Company and its subsidiaries may have material impact on our financial performance. Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
