INSIDE INFORMATION PROFIT WARNING

This announcement is made by Greatview Aseptic Packaging Company Limited (the “**Company**”) pursuant to Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders and potential investors of the Company that based on information currently available to the Board and preliminary estimates of the unaudited consolidated management accounts of the Company for the year ended 31 December 2025 (the “**Year**”) and the year ended 31 December 2024 (the “**Year 2024**”), it is expected that the Company will record an annual net profit of approximately RMB48.0 million to RMB58.0 million for the Year, representing a decrease of 82.8% to 79.2% compared to the annual net profit of RMB278.3 million recorded for the Year 2024; and revenue for the Year is expected to be approximately RMB1.86 billion, representing a decrease of approximately 17.3% compared to the revenue of approximately RMB2.25 billion for the Year 2024.

The decline in net profit for the Year was attributable to a change in the accounting treatment of the investment in the International Business in March 2025 which has led to a significant decline in the related share of profit, and there is no corresponding net fair value gain on financial assets at FVTPL (fair value through profit and loss) compared to last year due to unavailable financial information of the financial assets, as well as a decrease in the gross profit margin of the export business. The decline in revenue for the Year was attributable to a decrease in total sales volume and the unit price of exported products.

As the Company is in the process of finalizing the results for the Year 2024 and the Year, the information contained in this announcement is only based on the preliminary assessment made by the Board of the Company’s unaudited consolidated management accounts for the Year 2024 and the Year currently available to it, as well as other information currently available to the Company, which have not been reviewed or audited by the Company’s independent auditors (the “**Auditors**”) or the

It is currently expected that detailed financial information for the Year 2024 and the Year will be announced on 8 April 2026, following completion of the audit by the Auditors and approval by the Company's Audit Committee and the Board.
